The Charitable Endowments Act, 1890.

No. 1328Edn.—1st April 1933.—WHEREAS by notification No. 462Edn., dated the 15th February 1932, under the above-mentioned Act, in pursuance of rule 5 of the Original Scheme of the Sussex Trust Endowment for educational purposes (which Scheme came into operation under notification No. 1842Edn.,

dated the 22nd November 1919) certain securities consisting of 4 per cent. stock of 1960-70 for Rs. 32,000 representing untouched income for a period of five years were treated as capital and vested in the Treasurer of Charitable Endowments, Bengal, for the purposes of the Sussex Trust Endowment, the income to be used in accordance with the Original Scheme as amended by the addition of clauses 12 and 13 set out in the Third Schedule to the said notification No. 462.

AND WHEREAS in the Second Schedule to the said notification certain changes in the Original Fund were mentioned and the particulars of the present fund were set out, but no reference was made to the sale of certain securities to provide funds for construction of the Sussex Trust Model Primary School, and the present fund was incorrectly stated.

IT IS HEREBY NOTIFIED that the Amended Second Schedule hereunder set forth be substituted for the Second Schedule to the said notification No. 462Edn., dated the 15th February 1932.

Amended Second Schedule to notification No. 462Edn., dated Calcutta, 15th February 1932.

1. The Original Fund consisted of Rs. 50,000 of 5½ per cent. War Bonds, 1918-21, and Rs. 5,00,000 of 5½ per cent. War Bonds, 1918-28. This underwent the following changes:—

(a) In the year 1920, the Rs. 50,000 of 5½ per cent. War Bonds, 1918-21, was converted into Rs. 50,000 of 6 per cent. Bonds, 1930.

(b) In the year 1923, Rs. 2,00,000 of 5½ per cent. War Bonds, 1918-28, was converted into Rs. 2,28,800 of 5 per cent. War Bonds, 1929-47.

(c) In the year 1926, Rs. 3,00,000 of 5½ per cent. War Bonds, 1918-28, was converted into Rs. 3,63,000 of 4 per cent. Loan, 1960-70.

(d) In the year 1927, a sum representing untouched income for five year was invested in Rs. 40,000 of 4 per cent. Loan, 1960-70, and added to the capital of the fund.

(e) In the year 1929, the Rs. 50,000 of 6 per cent. Bonds, 1930, was converted into Rs. 52,800 of 5 per cent. Loan, 1939-44. At the end of 1929, the total fund comprised the following:—

Rs. 2,28,800 of 5 per cent. War Bonds, 1929-47. Rs. 4,03,000 of 4 per cent. Loan, 1960-70, and Rs. 52,800 of 5 per cent. Loan, 1939-44.

(f) Out of the said Rs. 4,03,000 of 4 per cent. Loan, 1960-70, a portion, namely, Rs. 37,000, was sold in the year 1930 to meet the cost of (land and buildings for) constructing a school called the Sussex Trust Model Primary School under the provisions contained in the Original Scheme Special Endowment Rules, section D (Primary School for Indian Boys). This left a balance of Rs. 3,66,000 of the 4 per cent. Loan, 1960-70.

2. The total present fund after this notification No. 462Edn., dated 15th February 1932, adding Rs. 32,000 of 4 per cent. Loan, 1960-70, takes effect will be—

Total present fund.

5 per cent. Loan, 1939-44—Rs. 52,800.

5 per cent. War Bonds, 1929-47—Rs. 2,28,800.

4 per cent. Loan, 1960-70—Rs. 3,66,000

4 per cent. Loan, 1960-70 (added by this notification)—Rs. 32,000.

3. By the Original Scheme the six objects of the endowment were to receive respectively the income arising from five investments of Rs. 1,00,000 each and from one investment of Rs. 50,000, but owing to changes in the capital investments it was not practicable to assign the specified proportions of capital to the respective objects. But the total income was expended (up to 1927) in proportionate shares, namely:—

(a) Scholarships for European boys—Two-elevenths.

(b) Scholarships for European girls—Two-elevenths.

(c) Scholarships for Domiciled Community—Two-elevenths.

(d) Primary School for Indian boys—Two-elevenths.

(e) Primary School for Depressed Classes—One-eleventh.

(f) Technical Scholarships (Sibpur Engineering College)—Two-elevenths.

4. After the notification No. 3849 of 1927 under the Additional Scheme, the income from Rs. 21,000 of 4 per cent. Loan, 1960-70, was added to the two-elevenths share of income for object (c) Domiciled Community, and the income from Rs. 19,000 of 4 per cent. Loan, 1960-70, was added to the two-elevenths share of income for object (d) Primary School for Indian boys. Since the sale of Rs. 37,000 (nominal) of 4 per cent. Loan, 1960-70, in the year 1930 to provide funds for construction of the primary school for object (d) the income of object (d) has been reduced proportionately. The income of object (d) will be further reduced when further securities are hereafter sold to provide further funds for completion of the said primary school. The total cost of construction of the school inclusive of sums already expended is not to exceed Rs. 55,000 (actual) and the cost of furniture and equipment for the school is not to exceed Rs. 5,000 (actual).

It is expressly declared that the Eastern Bengal Railway authorities shall be under no obligation to take energy from the licensees.

Firstly, the licensees shall not be under any obligation to supply energy to any small consumer. Provided that if the licensees decline to supply any small consumer then the permission referred to in clause 5 (*i*) (*b*) of this license shall be deemed to have been granted to the distributing licensee in whose area such small consumers' premises are situated.

Secondly, no large consumer shall be entitled to a supply of energy by the licensees unless the consumer shall not only have complied with the conditions and provisions of section 22 of the Act, but also with the conditions and provisions of clause IX of the Schedule to the Act as if that clause applied to large consumers as well as to distributing licensees.

Thirdly, no consumer whether large or small and no distributing licensee shall be entitled to require a supply of energy to be given to him at any point other than one of the licensees' sub-stations.

Fourthly, the area of supply specified in clause 3 shall be deemed to be divided into such sub-areas as may from time to time be approved by Government on the application of the licensees, and each such sub-area shall for the purposes of section 22 of the Act be deemed to be the "area of supply" referred to in that section, and the provisions of section 23 of the Act regarding undue preference shall apply as if each such sub-area were covered by a separate license. The rates, terms and conditions upon which consumers may demand supply in each sub-area may, at the discretion of the licensees, differ from those in other sub-areas, but shall be uniform in each sub-area. In deciding the rates, terms and conditions to be applied to each sub-area consideration shall be given to the cost of the licensees' works, proximity of the consumer's load to one of the sub-stations and to any other matters which may be considered relevant, but in no case shall the maximum rates set out in clause 10 be exceeded.

Accounts.

6. (*a*) Separate and distinct accounts shall be kept by the licensees showing in full detail, as required by the Indian Electricity Act and Rules thereunder, the working of the electrical undertaking for which this license is granted.

(*b*) The licensees shall not, without the previous sanction of the Local Government in writing, engage in any business other than that specially authorised by this license or essentially necessary to permit the licensees to carry out the obligations imposed by this license, the Indian Electricity Act, 1910, and the Indian Electricity Rules.

Conditions of supply and rates to be charged.

Within the same period, the licensees shall give notice by public advertisement, in such a manner as shall be previously approved by the Local Government, of the method by which they propose to charge for energy supplied to consumers and the rates at which such energy will be supplied. Where the licensees have given such notice they shall not be entitled to change the method of charging or the rates at which energy will be supplied without giving notice thereof by public advertisement in the manner aforesaid and giving not less than one month's notice in writing of any such change to the Local Government and the local authority concerned and every consumer of energy who is supplied by them.

The pressure stated above shall be as measured at consumers' terminals and shall be uniform, within the limits prescribed by the Indian Electricity Rules, 1922, throughout the area of supply.

Provided always that it shall be lawful for the Government from time to time to issue, with due regard to the expense involved and to the commercial prospects of the undertaking, regulations dealing with the above system of supply or to authorise other system or systems of supply to be adopted for the purpose of this license.

Provided also that the licensees may from time to time, with the previous consent in writing of the Government of Bengal and subject to such limitations and conditions as shall be prescribed in writing by the Government, adopt any other system of supply for the purpose of this license.

Method of construction.

9. The feeders, distributing mains and service connections may be overhead or underground in whole or in part and shall be erected, constructed and maintained by the licensees in strict conformity with the Act, the rules thereunder and the following provisions:—

(a) Within the boundaries of any municipality, the licensees shall not use overhead mains at any higher pressure than medium pressure without the sanction in writing of the Government of Bengal in each case and subject to such conditions or limitations as the Government of Bengal may prescribe.

The percentage to be added on account of compulsory purchase to the value (as determined in accordance with and for the purpose of section 7 of the Act) of lands, buildings, works, materials and plants of the licensees shall, in accordance with the said section, be twenty per cent.

(b) In accordance with section 3, sub-section (*2*), clause (*d*) (*ii*) of the Act, it is hereby declared that the generating station referred to in clause 4 of this license or any other generating station or stations to be used in connection with the undertaking shall not form part of the undertaking for the purpose of purchase under section 5 or section 7 of the Act.

NOTIFICATION.

Minister-in-charge: The Hon'ble Mr. Bijoy Prasad Singh Roy.

No. 1440Ex.—16th March 1933.—The following extracts from the report of the Commissioner of Excise and Salt on the administration of the Excise Department in Bengal during the year 1931-32, are published for general information.

L. R. FAWCUS,
Secy. to the Govt. of Bengal.

No. 5059-E., Calcutta, the 10th September 1932.

From—A. K. BASU, ESQ., M.A., B.L., Commissioner of Excise and Salt, Bengal (offg.),

To—The Secretary to the Government of Bengal, Department of Agriculture and Industries.

I have the honour to submit the annexed report on the Administration of the Excise Department in the Presidency of Bengal for the year 1931-32:—

CHAPTER I—ADMINISTRATIVE CHANGES AND GENERAL REVIEW.

1. **Laws in force in the Presidency.**—(*a*) During the year under report a Bill for imposing further restrictions on smoking of opium with a view to the ultimate suppression of the habit (The Bengal Opium Smoking Bill, 1931) was introduced in the Bengal Legislative Council on the 21st July 1931, and the motion for circulation of the Bill for the purpose of eliciting public opinion thereon by the 30th November 1931, was carried in the Council. The Bill was then referred to a Select Committee and an amendment was proposed by the Committee. This required the previous sanction of the Governor-General. This sanction having been received, the Bill was introduced in the August session of the Council and passed.

(*b*) A Bill to amend the Indian Opium Act (Act I of 1878) with a view to bringing it into line with the modern requirements was also introduced in the Legislative Council on 17th February 1932, and the Bill has since been introduced in the August session of the Council and referred to a Select Committee.

2. **Administrative changes and reforms.**—(1) The Calcutta Excise Licensing Board which exercises the statutory powers of the Collector in regard to the number and location of licenses in the city of Calcutta has been reconstituted for three years under Government notification No. 295T.—A.I., dated the 20th June 1932. Two representatives of the Calcutta Corporation have been added to the number.

(2) Licensing Boards already existed in the Calcutta Excise District and in the districts of 24-Parganas, Dacca, Rangpur and Chittagong. Under notification No. 513T.—A.I., dated the 28th September 1931, Licensing Boards were constituted with effect from 1st October 1931 till 31st March 1933 in the remaining districts of this Presidency excepting Darjeeling. Rules regulating the procedure to be followed by them were also published, *vide* notifications Nos. 514 to 519T.—A.I., dated the 28th September 1931. The power delegated to me to prescribe the days and hours during which the licensed premises may or may not be kept open for sale were delegated by me to the Licensing Boards.

(3) Bakhar being an indispensable agent in the manufacture of pachwai by licensed manufacturers has been exempted from the provisions of the Bengal Excise Act relating to sale to, and possession by, persons belonging to the aboriginal tribes in the Burdwan, Birbhum,

Bankura and Midnapore districts for such period during the *Bandhana* festival as may be notified in this behalf by the Collector (*vide* notification No. 2900Ex., dated the 10th July 1931).

(4) The rate of duty on Indian-made brandy, whisky, gin, rum and rectified spirit used in compounding and blending of Indian-made foreign liquor was enhanced from 1st May 1931 from Rs. 17-8 to Rs. 21-14, that on spirit required for the preparation of perfumes and toilet preparations being retained at Rs. 17-8 (*vide* notification No. 51T.—A.I., dated the 22nd April 1931).

(5) Government of Bengal in their Agriculture and Industries Department letter No. 38T—A.I., dated the 26th April 1932, permitted Messrs. Hormusji & Ruttonji, licensed vendors of tari in Calcutta, to tap and draw tari from the tari-producing trees in the railway lands on both sides of the Eastern Bengal Railway lines (Khulna Section) from stations Gobardanga to Chandpara situated within the jurisdiction of Gaighata thana of the district of Jessore (*vide* notification No. 37T.—A.I., dated the 25th April 1932).

(6) The concession of the late closing of the liquor shop in the municipality of Kotechandpur in the district of Jessore was withdrawn, as it was found that the work of almost all the factories had long been stopped and no coolies are now working there (*vide* notification No. 339T.—A.I., dated the 26th June 1931).

(7) In the shops served by Messrs. Haji Ismail Sait and Sons and those which got their supply from the Russa Distillery, the duty had been enhanced with effect from the 1st July 1931 over the existing rates by 3¼ annas per bulk gallon on 25° U.P., 2½ annas per bulk gallon on 40° U.P., 2 annas per bulk gallon on 55° U.P., and 1¼ annas per bulk gallon on 70° U.P.

(8) In all shops served by Messrs. Carew & Co., the fixed retail selling price were enhanced by 1 pice per bottle of 25°, 30°, 55°, 60° U.P. and ½ pice per bottle of 70° and 75° U.P. liquor. The fixed retail selling price was enhanced by 1 pice per bottle of 25°, 30°, 55° and 60° U.P. liquor in all shops served by Messrs. D. Waldie & Co. The enhancement took effect from the 1st July 1931, no changes being made in the fixed retail selling price of the smaller measures below 1 bottle (23 ounces).

3. **Temperance movements.**—Reports about temperance work were received from the following districts:—

(1) *Dacca.*—The temperance propaganda started by the Christian missionaries in 1930-31 was carried on among the native Christians for giving up the drink habit.

(2) *Chittagong.*—There was a complete absence of any genuine temperance movement in the district but a sporadic agitation was noticed among the Mughs of Cox-Bazar subdivision from time to time though this had no permanent effect on them.

(3) *Darjeeling.*—The local Christian Missionaries and Hillmen's Association are devoting their attention to the cause of temperance.

4. **The movement against liquor and drugs, and picketing of shops.**—With the resumption of the civil disobedience movement the picketing of excise shops was again revived from the middle of January in all the districts of the province except Mymensingh, Chittagong, Jalpaiguri and Darjeeling. It was carried on feebly, being desultory and sporadic; and before it could gain ground, it was effectively put down by prompt measures taken under the ordinances. So it could not affect the consumption of the excisable articles to any appreciable extent anywhere. The fall in consumption, in the districts affected was more due to causes economic than political. The movement was, however, successful at least in certain districts, viz., Howrah, Burdwan and Dinajpur, in driving low class people, from licit sources of supply of excisable articles to illicit sources and in breeding in them a spirit of disregard for excise restrictions. Only in the districts of Noakhali and Tippera, it is reported, that the bhadralok class, among the Hindu public, gave up the use of intoxicants, in consequence of the movement. It appears that the movement had failed to make the people truly temperate in their habits.

5. **Excise Licensing Boards.**—The Calcutta Licensing Board held 4 meetings during the year. The action taken by the Board is enumerated below:—

(*i*) The following new licenses were sanctioned:—

(*a*) Foreign liquor Public "off"	3

The Board also rejected new applications for 1 ganja, 1 country spirit, 1 siddhi and 1 foreign liquor "off" licenses.

The Bally Board held two meetings and rejected the objection against the existing country spirit shop.

The Sadar Board of the 24-Parganas district held two meetings. On the recommendations of the Board 1 hotel license with a restaurant and bar license and two bhang shops were newly opened. Seven tari shops were abolished and the site of one combined ganja and opium shop was changed.

The Barrackpur Board held two meetings. Two foreign liquor "off" licenses, 1 restaurant and bar license were newly sanctioned, 2 tari shops were abolished and the sites of 1 tari and 1 restaurant licenses were changed.

The Rangpur Board held two meetings. Two tari shops were newly opened, 1 country spirit shop was abolished while the site of one tari shop was transferred on the recommendation of the Board.

The Chittagong Board held two meetings. On its recommendation the sites of 1 country spirit, 1 ganja, 1 opium and 2 tari shops were changed.

The recommendations of the remaining Licensing Boards in the Presidency, which first functioned in the year under report were accepted with the results noted below:—

Abolition.—Eight country spirit, 1 ganja, 13 tari, 10 pachwai and 4 foreign liquor shops were abolished.

Change of sites.—Sixteen country spirit, 7 tari, 15 pachwai, 4 opium, 6 ganja, 2 combined country spirit and ganja, 1 combined country spirit, ganja, opium and bhang, 1 combined ganja and opium, 1 combined ganja and bhang and 1 combined ganja, opium and bhang shops were changed.

New shops.—One tari, 2 pachwai, 6 opium and 3 ganja shops were opened during the year.

6. **Excise Advisory Committees.**—These Committees are only in force in the district of Darjeeling. The Advisory Committees proposed the abolition of one pachwai shop, opening of a temporary pachwai mela license and the change of site of a country spirit shop. They also proposed the conversion of a weekly country spirit shop into a whole-time shop and the conversion of a foreign liquor "on" license into a "restaurant" license. These proposals were sanctioned.

7. **Total revenue and charges (Imperial Returns Nos. I and II, Appendix A).**—The excise revenue and charges of the Presidency for the last five years are shown below:—

Period.	Revenue.	Refunds.	Expenditure (after deducting contribution of Rs. 2 lakhs from the Government of India).	Net revenue.	Percentage of charges (percentage of columns 3 and 4 to column 2).
1	2	3	4	5	6
	Rs.	Rs.	Rs.	Rs.	
1927-28 ..	2,24,69,057	37,808	23,76,277	2,00,54,972	10·74
1928-29 ..	2,25,61,040	35,866	23,33,776	2,01,91,398	10·5

1931-32 ..	1,56,82,184	36,856	20,13,047	1,36,32,281	13·07
Difference of past two years.	−23,46,155	+1,699	−2,11,898	−21,35,956	−·53

The decrease in revenue was mainly due to acute economic depression throughout the year.

8. **Actual receipts.**—Deducting the advance collections (Rs. 1,29,719) for 1932-33 and adding the revenue (Rs. 1,22,960) which was collected in advance in 1930-31, the actual receipts on account of 1931-32 were Rs. 1,56,75,425 against Rs. 1,80,54,902 (after similar adjustment) for the preceding year.

9. **Excise charges (Imperial Return No. II, Appendix A).**—The total expenditure of the Excise and Salt Department, excluding the cost price of opium payable to the Government of India, was Rs. 15,44,880 against Rs. 15,73,136 during 1930-31. The decrease in expenditure was mainly due to a 10 per cent. cut in the salaries of officers drawing pay from Rs. 40 and above for the last three months of the year and also due to a 4 per cent. cut in travelling allowances during the year.

10. **Revenue under different heads (Imperial Return No. I, Appendix A).**—There was decrease of revenue under almost all the heads. The largest decrease (Rs. 8,44,668) occurred under "Total receipts from country spirit," followed by "total receipts from hemp drugs" (Rs. 6,19,932), "Total receipts from opium" (Rs. 4,52,325), "Duty on wines and spirits manufactured in India and classed as foreign liquors" (Rs. 4,39,108), "Receipts from country fermented liquors —Pachwai" (Rs. 44,949). There was, however, an increase of Rs. 49,623 under the head "Duty on spirits used for other commercial, scientific or industrial purposes" followed by "License fees for sale of beer manufactured in India or elsewhere" (Rs. 32,933).

11. **Demand and collection (Provincial Table I, Appendix B).**—Of the gross demand of Rs. 1,58,15,325, a sum of Rs. 1,56,82,184 or 99·15 per cent. was realised Rs. 26,719 was remitted as irrecoverable. The incidence of excise revenue per head of population was 4 annas 11 pies against 6 annas 2 pies in the previous year.

CHAPTER II.—COUNTRY LIQUOR.

Country Spirit.

13. **System of supply and sale.**—There were no changes in the system of supply and sale.

14 **Retail licenses.**—The number of licenses for the retail sale of country spirit was 919 against 926. On the recommendations of the Licensing Boards, two shops in each of the districts of Bankura and Hooghly and one in each of the districts of Burdwan, Nadia, Chittagong and Rangpur were abolished, while one shop was newly opened at Darjeeling on the recommendation of the Excise Advisory Committee.

15. **Consumption.**—The total consumption of country spirit in the Presidency amounted to 327,202 L.P. gallons as compared with 383,037 L.P. gallons in the preceeding year showing a decrease of 55,835 L.P. gallons. Consumption decreased in almost all the districts except Bankura, Murshidabad, Mymensingh, Tippera and Dinajpur, in which districts there was increase of 59, 255, 95, 235 and 357 L.P. gallons respectively amounting in all to 1,001 L.P. gallons. The increase in consumption in the districts mentioned above is not so large as to call for any remarks. Noticeable decrease occurred in the following districts:—

Jaipaiguri (12,679 L.P. gallons or 37·5 per cent.).

Malda (1,969 L.P. gallons or 35·7 per cent.).

Darjeeling (5,624 L.P. gallons or 22·3 per cent.).

Chittagong (2,145 L.P. gallons or 20·9 per cent.).

24-Parganas (6,839 L.P. gallons or 20 per cent.).

Rajshahi (905 L.P. gallons or 18·6 per cent.).

Hooghly (4,078 L.P. gallons or 17·8 per cent.).

Jessore (454 L.P. gallons or 17 per cent.).

Pabna (474 L.P. gallons or 13·6 per cent.).

Burdwan (3,724 L.P. gallons or 13·5 per cent.).

Calcutta (11,078 L.P. gallons or 13·1 per cent.).

Bogra (443 L.P. gallons or 13 per cent.).

Midnapore (3,573 L.P. gallons or 12·9 per cent.).

The cause of all this all-round fall in consumption is due to the prevailing economic distress owing to world-wide depression in trade.

A statement is given below showing figures of consumption of country spirit in the industrial areas in the districts of the 24-Parganas,

Howrah and Hooghly from the years 1927-28 to 1931-32, the year of the report:—

Year.	Hooghly.	Howrah.	24-Parganas.
	L. P. gallons.	L. P. gallons.	L. P. gallons.
1927-28	10,088	6,580	25,847
1928-29	10,020	6,604	26,385
1929-30	9,945	6,994	26,297
1930-31	6,303	4,012	21,018
1931-32	5,154	3,202	15,737

16. **Total revenue from country spirit.**—The total revenue from country spirit (license and distillery fees and duty) from country spirit was Rs. 49,93,919 against Rs. 58,38,587 showing a decrease of Rs. 8,44,668. The revenue derived from duty and distillery fees decreased by Rs. 6,73,848 and that from license fees decreased by Rs. 1,70,820.

17. **Convictions for drunkenness and actions taken against licensees for permitting it.**—Appendix B, Table VI, shows the number of persons convicted for drunkenness in the municipal areas. In Calcutta 3,895 persons were convicted for drunkenness as compared with 4,076 persons in the previous year showing a decrease of 181 persons or 4·4 per cent. There was a decrease of 212 in the number of convicts for drunkenness in the jurisdiction of the Commissioner of Police, Calcutta, while there was an increase of 31 in the municipal limits of Howrah and Bally. The Commissioner of Police could not assign any reason for the decrease while the Magistrate of Howrah thought that the slight increase was probably due to better detection by the police. These figures, however, form no reliable index to the increase or decrease in drunkenness. The convictions are the outcome of the activities on the part of the police officers. In other areas of the Presidency no noticeable increase or decrease in convictions for this offence came to light in the year under report.

* * * * * *

Tari.

19. **General.**—During the year under report licenses for the retail vend of fermented tari were settled by auction in the tree-tax as well as in the other areas of the Presidency. The tree-tax system of taxation on tari was in force in the districts of Calcutta, 24-Parganas, Hooghly and Howrah which contributed 51 per cent. of the entire revenue from tari in the Presidency. The question whether it is feasible to increase the direct tax on trees is under consideration.

20. **Statistics.**—The total receipts for the year amounted to Rs. 7,88,745 against Rs. 7,96,967 in the previous year. The number of retail licenses decreased from 488 to 484. Out of the total revenue of Rs. 7,88,745 from tari, Rs. 7,61,866 was derived from the Burdwan and the Presidency divisions and the district of Malda. Of the total revenue, Rs. 4,50,713 was derived from tree-tax and Rs. 3,38,032 from license fees. The corresponding figures for the previous three years were as follows:—

	1928-29.	1929-30.	1930-31.
	Rs.	Rs.	Rs.
Tree-tax	5,50,706	5,83,343	4,58,807
License fees	4,24,832	4,31,954	3,38,160

Of the figures shown under the head "Tree-tax," the amounts contributed by shop licensees and by domestic consumers respectively were as follows during the year of report and the previous three years:—

	1928-29.	1929-30.	1930-31.	1931-32.
	Rs.	Rs.	Rs.	Rs.
Tree-tax paid by—				
Shop licensees	4,69,687	5,00,046	3,97,062	4,12,077
Domestic consumers ..	81,019	83,297	61,745	38,636

The decrease in revenue, viz., Rs. 8,222 is on account of the rather heavy decrease in the receipts under "Tree-tax" paid by domestic consumers in the tree-tax areas, partly due to economic distress and partly to reluctance on the part of the consumers to take out such licenses.

Pachwai.

21. **Licenses.**—The total number of licenses issued for "retail sale," "home-brew (annual)" and "manufacture of pachwai on special occasions" was 59,185 as compared with 54,614 in 1930-31.

	Number of licenses issued in 1930-31.	1931-32.
Retail sale	1,148	1,143
Home-brew (annual)	52,165	57,344
Manufacture on special occasions ..	1,301	698

The marked increase in the number of "home-brew (annual)" licenses is due to the issue of a larger number of licenses in Jalpaiguri and Darjeeling while the decrease in the number of licenses under "Manufacture on special occasions" is due to the issue of a less number of licenses in Darjeeling, as most people already held ordinary home-brewing licenses on account of the concession regarding possession of pachwai granted to the hillmen in Darjeeling.

22. **Revenue.**—The revenue in license fees from "retail vend shops" decreased from Rs. 12,67,247 to Rs. 11,96,604. The decrease was marked in Burdwan (Rs. 57,962), Midnapore (Rs. 9,898), Darjeeling (Rs. 7,900), Murshidabad (Rs. 6,255) and Hooghly (Rs. 3,245).

The decrease in revenue in the districts mentioned above was due to a fall in the consumption of the article on account of economic condition of the consumers.

The increase in license fees from home-brew of pachwai from Rs. 68,765 to Rs. 74,459 was due to the issue of a larger number of such licenses. The system of home-brewing licenses was extended to municipal towns in the Darjeeling district in the year under report. The total revenue derived from pachwai licenses under the above three heads decreased from Rs. 13,36,012 to Rs. 12,71,063 in the year under report.

23. **Consumption.**—The consumption in the districts of Burdwan, Birbhum, Bankura, Midnapore, Hooghly, Nadia and Murshidabad where the Bengal fixed-fee system was in operation from previous years and pretty accurate figures of consumption from the licensed shops were available, amounted to 141,000 maunds of rice against 164,908 maunds of rice during the previous year as detailed below:—

	Maunds of rice. 1930-31.	1931-32.
Burdwan	93,749	76,903
Birbhum	36,692	32,272
Bankura	12,904	14,062
Midnapore	5,770	4,585
Hooghly	7,652	6,858
Nadia	1,952	1,883
Murshidabad	6,189	4,437
Total ..	1,64,908	1,41,000

Out of 1,143 licenses in the Presidency for the manufacture and vend of pachwai, 898 worked under the fixed-fee system during the year.

* * * * * *

25. **Control over manufacture and sale of bakhar.**—The number of licenses issued for the manufacture and sale of bakhar during the year was as follows:—

	Number of license issued. Manufacture and sale of bakhar.	Sale of bakhar.
Burdwan	1	6
Birbhum	4	5
Bankura	2	4
Midnapore	12	..
Hooghly	..	1

Dacca	8	..
Mymensingh	2	21
Chittagong	..	7
Rajshahi	4	4
Dinajpur	2	2
Rangpur	1	2
Malda	2	..

Bakhar has been declared to be an excisable article for all purposes throughout the Presidency except in the districts of Jalpaiguri and Darjeeling since April 1929. The enforcement of the restrictions imposed on the manufacture and sale of bakhar has resulted in a better working of the pachwai shops.

26. **Adulteration of bakhar.**—During the year under report there was no case of adulteration of bakhar, with aconite or any other poisonous substance, by the licensed bakhar manufacturers.

Note.—Out of 3,907·8 L.P. gallons issued during the year, duty on 1,572·7 L.P gallons of rum at Rs. 17-8 and 1,494 L.P. gallons of rectified spirit at Rs. 21-14 was realised in 1930-31.

Besides the above, the following quantities of potable foreign liquor were issued to other provinces on payment of duty to the credit of the provinces concerned:—

32. **Manufacture of beer.**—No brewing license was issued during the year under report.

33. **Duty on Indian-made potable foreign liquors and beer.**—The total duty realised under this head was Rs. 15,370 against Rs. 4,54,478 in 1930-31. The heavy decrease was mainly due to decreased consumption on account of trade depression and partly due to heavy issues of rectified spirit taken on the 31st March 1931, for manufacture of foreign liquor for sale in 1931-32 in anticipation of increase in duty on foreign liquor. The duty on issues taken on 31st March 1931 amounted to Rs. 60,203-8.

34. **Licenses and fees.**—The total number of licenses issued for "Trade" and "Public" vend was 1,665 against 1,533 in the preceding year. Decrease occurred under "Hotel" (1), "Bars in hotels" (9), "Temporary bars" (4), "Railway refreshment" (2), "Dining car" (3), "Wholesale" (5), "Off" (2), while an increase occurred under "Restaurants" (2), "Late closing" (153) and "Canteen" (1).

The total receipts from license fees on foreign liquor licenses including beer, levied under the Bengal fixed-fee system, were as follows:—

	Rs.
1927-28	3,30,113
1928-29	3,24,824
1929-30	3,42,858
1930-31	3,72,087
1931-32	3,90,887

The increase in license fees in spite of decrease in consumption was due to (1) license fees being realised at the enhanced rate for the whole of the year 1931-32 whereas in 1930-31 it was realised from 1st October 1930, and (2) realisation of license fees on sales of foreign liquor to the public in other provinces except Bihar and Orissa and credit of half the fees so realised as revenue of this Government during the last quarter of the year under review.

Medicated wines.

35. **Licenses and revenue.**—The number of licenses for the retail sale of medicated wines was 188 against 220 in the preceding year. The revenue from license fees was Rs. 6,550 against Rs. 5,550 in the previous year showing an increase of Rs. 1,000 as major portion of the license fee for the preceding year was collected in the previous year.

II.—Industrial Spirits (excluding denatured spirits).

36. **Revenue.**—The total revenue derived from rectified spirit and absolute alcohol used for medicinal, scientific or other industrial purposes in the Presidency was Rs. 5,47,761 against Rs. 5,01,607 in the previous year. (Imperial Table I, Columns 19, 20 and 22.)

37. **Issue of rectified spirit from distilleries and warehouses.**—The following quantities of rectified spirit were issued during the year for medicinal, industrial and scientific purposes from distilleries and excise warehouses in Bengal:—

Place of manufacture.	Duty-free issues to Government Departments, Colleges, etc.	For manufacture of tinctures and other medicinal preparations.	
		To bonded laboratories.	To permit-holders in Bengal.

Besides the above, 8·0 and 16·0 L.P. gallons of rectified spirit were issued to Indian Tobacco Co., and Continental Stores & Agency, Ltd., at the concession rate of duty of Rs. 5 per L.P. gallon from the Bahir-Mirzapore and Russa Distillery respectively for commercial purposes. 442·4 and 5,138·2 L.P. gallons of rectified spirit were exported under bond to Messrs. Kemp & Co., Bombay and Rosa (United Provinces) respectively and 0·2 L.P. gallons were issued duty-free as trade samples from the Asansol Distillery.

Duty-free issues of rectified spirit and absolute alcohol, as shown in column 2 above, were made to the following institutions:—

38. **Manufacture of tinctures and medicines.**—Eight bonded laboratories in Calcutta and one at Konnogar continued to manufacture tinctures and medicinal preparations during the year under report; 64009·9 of London proof gallons of rectified spirit contained in tinctures and medicinal preparations were issued from the nine laboratories on payment of duty against 65,778·0 London proof gallons issued during the preceding year. 2,879·4 L.P. gallons contained in tinctures were also issued to Bombay and Madras on prepayment of duty in those provinces.

The duty realised in Bengal on the spirit contents of tinctures issued from the bonded laboratories at Rs. 5 per London proof gallon was Rs. 3,20,049-8 and that realised in Bombay and Madras was Rs. 14,397 against Rs. 3,38,890 and Rs. 9,155 respectively in the preceding year.

Medicinal preparations containing 29,974·993 London proof gallons of spirit were issued duty-free to the charitable dispensaries and hospitals in the various provinces in addition to 7,806·66 London proof gallons of rectified spirit and 2,425·87 London proof gallons of absolute alcohol for hospital purposes.

Permit-holders in Bengal took supplies of 6·183 London proof gallons of rectified spirit from the distilleries, and 9,428·4 London proof gallons of rectified spirit and 705·3 L.P. gallons of absolute alcohol from the bonded laboratories on payment of Rs. 81,583-8 as duty at the concession rate of Rs. 5 per L.P. gallon. 118·0 and 169·2 London proof gallons of rectified spirit were supplied to permit-holders in Assam and United

Provinces respectively. In the former case the duty was paid in Bengal to the credit of the Assam Government and in the latter case the duty was paid in United Provinces. 79·1 London proof gallons were also supplied to permit-holders in Bihar and Orissa at the rate of Rs. 14-10, the duty being realised there.

The rules prescribing strict adherence to B.P. standards and approved recipes continued to be strictly enforced, and there were no complaints regarding the quality of the products of the bonded laboratories.

The working of the bonded laboratories was on the whole satisfactory and the medicinal preparations manufactured therein continued to be freely used both in Bengal and in the other provinces replacing to a great extent the imported stuff from abroad.

Statement showing the working of the bonded laboratories during the year under report is given below:—

CHAPTER IV.—HEMP DRUGS.

Ganja.

44. **Retail licenses.**—The total number of licenses issued in the Presidency for the retail sale of ganja was 1,211 against 1,206 in 1930-31.

45. **Consumption.**—The total quantity of ganja consumed in the Presidency amounted to 1,013 maunds 16 seers against 1,155 maunds 9 seers showing a net decrease of 141 maunds 33 seers or 12·2 per cent.

Consumption fell in all the districts except in the district of Bankura. The fall was due to economic distress of the people on account of trade depression and the low price of agricultural products.

46. **Total revenue.**—The total receipts for the year amounted to Rs. 30,94,554 against Rs. 36,61,422 of the previous year, the net decrease amounting to Rs. 5,66,868. The revenue from license fees and duty decreased by Rs. 3,26,171 and Rs. 2,40,272 respectively while that from gola rent fell by Rs. 425.

47. **Incidence of taxation.**—The incidence of license fees per seer of ganja consumed was Rs. 34·1 and that of duty Rs. 40. The total taxation was 74·1 per seer as compared with 77 in the previous year.

48. **Wholesale price.**—The wholesale price of ganja was fixed at Rs. 240 per maund for the year 1931-32.

49. **Export to foreign territories and Native States.—Duty paid exports.**—One maund thirty-two seers of ganja were exported to Trinidad during the year. The State of Jaipur in Rajputana took a supply of 1 maund 15 seers of the drug from Naogaon. Thirty-one maunds and ten seers of ganja were exported to French Chandernagore from Hooghly against 30 maunds 15 seers of ganja in the preceding year. The quantity of ganja exported to the Tripura State from Comilla was 22 maunds 6 seers against 29 maunds 4 seers in the previous year. Darjeeling supplied 14 seers to Sikkim and 19 seers to Nepal against 17 seers and 15 seers respectively in the previous year.

Non-duty paid exports.—Twenty-one maunds ten seers of ganja were exported from Naogaon to Cooch Behar and 54 maunds 10 seers to the Native States in Orissa and Sambalpur.

50. **Cultivation and outturn of ganja at Naogaon in Rajshahi.**—The following figures indicate the position regarding the operations of ganja cultivation in Naogaon in the Rajshahi district during the last six years:—

Year.	Number of cultivators licensed.	Area licensed.	Total outturn.	Average outturn per bigha.	Total exports from Naugaon.
		Bighas.	Mds.	Mds. srs.	Mds.
1926-27 ..	2,996	1,800	5,256	2 36	4,722
1927-28 ..	3,010	1,796	6,073	3 15	4,709
1928-29 ..	3,231	1,900	5,526	2 35	4,131
1929-30 ..	3,047	1,799	4,414	2 15	4,231
1930-31 .	2,949	1,800	3,431	1 38	2,596
1931-32 ..	2,822	1,600	3,372	2 0	2,186

The area sanctioned for cultivation during the year was 1,600 bighas. There was no case of cancellation or surrender of license during the year under report. The area actually cultivated was 1,669 bighas 1 cottah and 1 chitak against 1,749 bighas 4 cottahs and 8 chitaks in the previous year.

The growth of the crop was on the whole satisfactory in the early stages, but later on it was widely affected by red spiders and other insect pests. The Government Entomologist of the Bengal Agriculture Department came to Naogaon and visited a number of fields affected by the pests. This officer had made a thorough investigation into the subject some years ago and discovered a remedy which, however, did not become popular with the cultivators. The ganja society has however lately started a propaganda to popularise the remedy; printed leaflets are being distributed among the cultivators to educate them on the subject.

Bhang.

55. **Licenses and revenue.**—The total number of retail licenses for the sale of bhang was 332 against 331 in the previous year. The total number of druggists' permits issued was 610 against 574 in the previous year. The total revenue from license fees and duty amounted to Rs. 1,41,876 as compared with Rs. 1,71,999 in 1930-31 showing a decrease of Rs. 30,123. The decrease in the revenue was due to the decrease in consumption owing to the general trade depression and economic distress of the people.

56. **Consumption.**—The principal demand for bhang was, as in the previous years, confined to most of the West Bengal districts. In most of the districts in East Bengal the demand for bhang as an intoxicant is very small. The total quantity of bhang consumed in the Presidency amounted to 301 maunds 24 seers against 334 maunds 5 seers in the previous year showing a decrease of 32 maunds 21 seers.

57. **Exports.**—Three maunds and ten seers of duty-paid bhang were exported from Hooghly to French Chandernagore against 2 maunds 30 seers in the previous year. Eighteen seers of duty-paid bhang were issued from Comilla to the adjacent state of Tripura against the same in the preceding year.

58. **Abuse.**—No case of abuse of medicinal preparations manufactured from the drug was reported during the year.

Charas.

59. **Licenses and revenue.**—The total number of licenses issued in the Presidency for the retail sale of charas was 33 against 34 in 1930-31. There were 2 wholesale licenses against 3 in the preceding year. The total receipts for the year amounted to Rs. 1,86,452 as compared with Rs. 2,09,363 in 1930-31.

60. **Import, export and consumption.**—The total quantity of charas imported into the Presidency was 33 maunds 30 seers 6 chataks against 38 maunds in the previous year. The drug was as usual imported by the wholesale dealers of Calcutta and Birbhum direct from the Punjab and supplied to the retail vendors. The total issue to retail shops in the Presidency was 35 maunds 5 seers as compared with 38 maunds 2 seers in the preceding year, while the consumption in Calcutta amounted to 20 maunds 13 seers against 23 maunds 24 seers in the previous year.

Seven seers of charas were exported to French Chandernagore during the year against 14 seers exported during the previous year.

CHAPTER V—OPIUM.

61. **Restricted supply of opium.**—The restricted system of supply of opium to licensed shops, under which the monthly supply to each shop is limited to local requirements, and increase in supply is not permitted except on clear evidence of an increase in demand, worked in the districts named below:—

Midnapore.	Mymensingh.
Hooghly.	Faridpur.
Howrah.	Bakarganj.
24-Parganas	Chittagong.
Calcutta.	Noakhali.
Nadia.	Tippera.
Murshidabad.	Rajshahi.
Jessore.	Jalpaiguri.
Khulna.	Rangpur.

In other districts the system was not in force, as no necessity was felt to regulate the supplies. In districts in which the limits of supply were restricted, the issues and consumption were actually less than the limits fixed.

62. **Consumption.**—The consumption of excise opium during the year under report was 804 maunds 30 seers, as compared with 885 maunds 11 seers in the preceding year, showing a decrease of 80 maunds 21 seers.

Noticeable decrease occurred in the following districts:—

Birbhum (30 seers or 6·2), Midnapore (12 maunds 27 seers or 12·9), Hooghly (5 maunds or 7·3), 24-Parganas (10 maunds 21 seers or 8·8), Calcutta (16 maunds 14 seers or 6·1), Nadia (1 maund 7 seers or 8·3), Jessore (1 maund 28 seers or 15·4), Khulna (2 maunds 6 seers or 13·0), Dacca (3 maunds 24 seers or 11·1), Mymensingh (2 maunds 27 seers

or 20·5), Faridpur (1 maund 24 seers or 13·4), Bakarganj (5 maunds 38 seers or 17·7), Noakhali (1 maund 8 seers or 18·7), Tippera (1 maund 27 seers or 14·9), Rajshahi (1 maund 7 seers or 19·1), Dinajpur (1 maund 26 seers or 20·0), Jalpaiguri (1 maund 9 seers or 13·8), Rangpur (1 maund 28 seers or 17·0), Bogra (21 seers or 18·5), Pabna (34 seers or 17·4) and Malda (3 maunds 2 seers or 25·7).

The decrease in consumption was largely due to the general depression in trade, and economic distress of the consuming public.

63. **Licenses for retail sale.**—The total number of licenses issued for the retail sale of excise opium was 865 as compared with 864 in the previous year. One shop was abolished in Khulna while two new shops, viz., one each in Noakhali and Tippera, were opened to meet ascertained and genuine local demand.

64. **Medicinal permits and licenses under the Opium and Morphia Rules.**—The total number of permits and licenses issued was 1,726 as compared with 1,756 in the previous year. The number included 868 licenses or permits issued for intoxicating drugs including opium and 858 licenses or permits issued for morphia drugs. Details are given below:—

Intoxicating drugs including opium.		*Morphia drugs.*	
Manufacturing chemists ..	28	Dealers	58
Dispensing chemists ..	649	Dispensing chemists ..	655
Kavirajes and Hakims ..	96	Persons approved under rules 21(1) and 21(2) ..	26
Permit holders	95	Persons authorised under rule 22	119
Total ..	868	Total ..	858

The decrease in the number of licenses was very slight and needs no explanation.

CHAPTER VI—COCAINE.

70. **Licenses and revenue.**—Four hundred and sixty-eight licenses were issued during the year to chemists and druggists for the sale of cocaine on prescriptions of qualified medical practitioners against 470 in 1930-31. Ninety-five permits for the possession of cocaine were issued free to managers of hospitals or dispensaries not under Government supervision. Seventy-five permits were issued to qualified medical practitioners and dentists.

71. **Preventive operations and illicit transactions in cocaine.**—Dealt with in paragraph 73, Section VII of the report.

* * * * * *

CHAPTER VII—OFFENCES AGAINST THE EXCISE AND OPIUM LAWS.

73. **Prosecutions and convictions.**—The number of prosecutions and convictions during the year as compared with the same in 1930-31 was as follows:—

	1930-31.	1931-32.
Number of cases—		
Prosecuted	7,101	8,381
Convicted	6,830	7,936
Number of persons—		
Prosecuted	7,971	9,312
Convicted	7,060	8,218

There was an increase both in the number of prosecutions and convictions mainly due to detection of a larger number of offences relating to illicit manufacture or possession of country spirit, tari, pachwai and bakhar while, however, there was a noticeable decrease in detections of cases of smuggling of opium, cocaine and charas.

The illicit traffic in liquor prevalent amongst some of the Chinese and Nepalese residents in the city of Calcutta and its neighbourhood, the labouring classes in the adjoining areas and also the aboriginal tribes in some West Bengal districts assumed greater proportions. Effective steps were, however, taken throughout the year by the Excise detective staff in the presidency to combat the evils, resulting in the detection of a good number of important cases.

The punishments inflicted on the offenders were generally adequate but the sentences awarded by some Magistrates in some of the important liquor cases were too light to produce any deterrent effect on the activities of the offenders.

Activities of smugglers of cocaine, opium and charas, which slackened to some extent during the year, continued however to receive constant attention from the officers of the department as well as of the Customs and the Police. The small measure of success that has attended the efforts of the Excise officers in this direction was due to their pre-occupation in connection with the liquor cases.

In Calcutta, the illicit traffic inside the city as well as at the railway terminii was tackled by the Excise detective staff in co-operation with the Police officials, while the illicit traffic on board the vessels and in the jetties was dealt with mainly by the Customs detective staff.

The department is thankful for the co-operation that it uniformly received from the Customs and Police officials engaged in detection work both in Calcutta and the mufassal.

The total seizures of opium during the last three years in the Presidency were as follows:—

Year.	Mds.	srs.
1929-30	36	17
1930-31	29	26
1931-32	14	22

Of the total quantity of opium seized during the year 3 maunds 14 seers were seized by the Excise detective staff in Calcutta, 2 maunds 20 seers by the railway Excise staff and 3 maunds by the Excise staff in districts, while the Customs detective staff in Calcutta and Chittagong and the Police in Calcutta, Hooghly and Howrah made seizures of 3 maunds 16 seers and 2 maunds 12 seers respectively.

The total seizures of cocaine during the last three years are noted below:—

Year.	Ozs.	grs.
1929-30	6,314	339
1930-31	2,077	75
1931-32	1,083	92

Of the total quantity seized during the year, 1,012 ozs. were seized by the Customs detective staff on board the vessels and in jetties in the port of Calcutta, 14 ozs. by the Calcutta Excise staff, 9 ozs. by the Excise staff in districts and 48 ozs. by the Police in Calcutta, Howrah and 24-Parganas.

DEPARTMENT OF AGRICULTURE, BENGAL.

Dacca, the 1st April 1933.

Third Forecast of the Wheat Crop of Bengal, 1932-33.

(*Note*—On an average of the five years ending 1930-31, the area under wheat in Bengal has represented some 0.4 per cent. of the total area under wheat in India. The ratio of the irrigated wheat acreage to total wheat acreage in (*a*) British India and (*b*) in the territory now reported on has, in the five years ending 1930-31, averaged (*a*) 39·8 and (*b*) 10·9 per cent., respectively.)

Character of the season.—Since the issue of the second forecast in February last, the crop has greatly improved in the districts of Rajshahi, Jalpaiguri, Bogra and Mymensingh as a result of good rainfall in January and February. Elsewhere, with the exception of Malda and Dacca, where the crop has deteriorated owing to damage by insect-pests in the former and drought in the latter, the outturn remains the same as in the second forecast. On the whole, the season is a satisfactory one for the crop this year.

Acreage.—According to District Officers' estimates, the total area sown amounts to 142,900 acres this year as against 145,200 acres, both in the corresponding and final forecasts of last year.

Outturn.—The average outturn for the province, as worked out from district estimates, is 83 per cent. of the normal as against 82 and 74 per cent. in the corresponding and final forecasts of last year.

Taking the normal yield to be 10 maunds per acre, the gross yield of the crop for the province is estimated at 43,600 tons this year as against 38,300 and 34,500 tons in the corresponding and final forecasts of last year.

Resolution on the Report from the District Magistrate of Noakhali on the ferry boat disaster in the Meghna river in Noakhali.

CALCUTTA, THE 4TH APRIL 1933.

RESOLUTION—No. 2761 L.S.-G.

Ferry boat disaster in the Meghna river in Noakhali.

Minister-in-charge: The Hon'ble Mr. Bijoy Prasad Singh Roy.

Read—

A report from the District Magistrate of Noakhali on the above subject forwarded by the Commissioner of the Chittagong Division.

In view of the widespread interest aroused by the news of the very serious disaster which occurred on the night of 30th July in Noakhali district owing to the capsizing of a ferry boat on the river Meghna, Government consider it advisable to record the salient facts as disclosed by the report of the District Magistrate who instituted an enquiry immediately after the occurrence.

2. The ferry was a district board ferry. It plies nominally between Chaprassir Khal which is on the main land 10 miles to the east of Noakhali town and Char Amanulla, but for the past ten years since the channel between Char Amanulla and Char Tehira better known as Char Jubilee has become fordable passengers for Char Amanulla have been landed at Char Tehira whence they have walked to Amanulla after fording a shallow *dona* or channel. Char Tehira is about 8 miles south-east of Noakhali town on the south bank of the branch of the Meghna and it is approximately 20 miles from Chaprassir Khal.

3. The ferry was leased to a Maulvi Tafail Ahmad, and four boats were used habitually for it in rotation, of which two were owned jointly by two brothers Seru Majhi and Badshah Majhi. Seru Majhi was in charge of the boat which capsized on July 30th.

4. The monsoon broke on July 25th and there was in consequence a strong demand for labourers for transplantation of paddy on the chars. In the two successive *hats* preceding July 30th, Seru Majhi and his men announced the time when his boat would start and on the day fixed there was so great a rush of intending passengers that Seru engaged the boat of Bhaju Majhi to carry 85 of them. This boat started at 10 a.m., passed safely over a sand bank (Duba Char) 4 miles from Chaprassir Khal which is above water at low time, and reached Char Jubilee at 4 p.m. Seru Majhi, on the other hand, waited to secure more passengers and did not start till noon.

5. The boat was grossly overloaded. The Magistrate has found that in rough weather, *i.e.*, during the rains, its maximum safe load was about 100 persons with luggage or 150 without: the actual number of passengers can be definitely stated to have been not less than 236, and they took with them rice, paddy, bedding and other articles. The load carried was as much as would have been safe in the calm season and that season had now passed. When the boat started from Chaprassir Khal its gunwale was only "three-quarters of a cubit" above the water. There were no life-belts on board.

6. The ebb tide had set in by the time that the boat started, and making slow progress owing to the adverse south wind and to its heavy load, it did not reach the submerged sand bank till 4 p.m. There it anchored for an hour while fares were collected, and when it moved off again it grounded on a sand bank in continuation of Char Lengta. All efforts to drag the boat off failed and when the tide turned after dusk, it shipped a certain amount of water before it floated. By this time the river had become rough owing to a strong gale and the waves broke

over the sides of the boat. The Majhi at first tried to make Char Jobbar but wind and current were against him and he was forced to try to reach the north bank of the river. The boat filled, sank, and capsized over six miles from Noakhali town at about 8 p.m.

7. Some of the passengers were drowned when the boat capsized. About a hundred remained clinging to the upturned boat: during the night most of these were washed off by the waves: twenty hours after the disaster, at 4 p.m. on Sunday, July 31st, twenty-nine survivors were rescued from the boat by Chand Mian Majhi. Some others had been washed ashore alive clinging to plants, cocoanuts, or ploughs. The total number of those known to have been drowned was 156: the number saved was 80, including the boatmen.

8. The causes of the disaster were, first, overloading and secondly, the late start. The general condition of the boat is said to have been satisfactory.

9. The lessee Tafail Ahmad has been convicted under section 282 of the Indian Penal Code and section 25 of the Ferries Act, and sentenced to pay a fine of Rs. 1,000.

10. Had not the boat been overloaded, it is probable that the late start would not have led to a disaster. The question therefore, arises why there was overloading. Government are unable to resist the conclusion that the district board of Noakhali are to blame in this matter. The necessity for precautions was made obvious by the disasters of 1925 and 1926 which led the district board to decide that extra inspecting staff should be appointed, that two boats should always sail together (one for passengers and the other for animals and goods), that boats should not carry more than half their capacity and that they should all carry life-belts. Three or four years later, however, the district board abolished all their ferry inspectors, leaving supervision of their ferries to the District Engineer and his staff. The result was that for a long time before the present disaster no supervision had been exercised and no inspection of any ferry service had been made. In April 1932 the attention of the district board was drawn to this department circular Nos. 1474-78 L.S.-G., dated 30th March, which emphasized the responsibility of local authorities for seeing that lessees pay due regard to the public safety in the maintenance of ferries; but the decision of the Board to adopt the model rules under the Ferries Act was not communicated to the District Magistrate until December. In the circumstances Government accept the Commissioner's opinion that the district board have been guilty of negligence in their administration of the Ferries Act.

11. Government accept the opinion of the Commissioner as regards precautions necessary for guarding against a repetition of the disaster. It appears to be certain that ferry boat navigation in Noakhali district during the monsoon will always be dangerous, but it is useless to prescribe precautions which cannot be enforced. The suggestion that penalties should be imposed for late starting which has been made by the sub-committee of the district board would not be workable in practice and it is impossible also for every ferry boat to carry life-saving equipment sufficient for the full number of passengers that it is licensed to carry. What is necessary is to ensure that no boat is plied as a ferry until load lines have been marked on each side and until its carrying capacity has been marked on it, that all boats should be equipped with a certain amount of life-saving equipment and with a supply of buckets with which they can be baled out when necessary, that reserve boats similarly marked and similarly equipped should be made available when there is a rush of traffic, that no boatmen should be employed by the lessees who are not expert and that at least four ferry inspectors (with the qualifications of sub-overseer) should be employed by the district board exclusively for the supervision of the ferries in the district. If such precautions are taken within a reasonable period Government are prepared to refrain from taking over from the district board the management of the Government ferries which have been entrusted to them.

ORDERED that the resolution be forwarded to the Commissioner of the Chittagong Division, and be published in the *Calcutta Gazette* for general information.

No. 11490G.—In supersession of the amendments made in the High Court's General Rules and Circular Orders, Civil, Volume 1, relating to the method and proof of service of processes in the subordinate courts and contained in the High Court's notification No. 9483 G., dated the 23rd March 1933, the following revised rules relating thereto are republished for general information.

The rules will come into force immediately:—

Method and Proof of Service.

14. Service should always be personal wherever practicable (Order 5, rule 12) and the Courts ought not in *ex parte* cases to act upon anything short of personal service, until they are satisfied that personal service could not reasonably be effected.

NOTE 1.—Personal service shall be deemed to include all cases in which the process is delivered or tendered to the person concerned or his agent empowered to accept on his behalf, whether accepted or refused, including service under Order 5, rules 13 and 14, Order 29, rule 2, and Order 30, rule 3, and all cases under Order 5, rule 15, of the Civil Procedure Code in which the process is accepted by an adult male member and a receipt granted.

NOTE 2.—The signature required under Order 5, rule 16, should in the case of illiterate persons be held to mean the thumb impression. Process-servers out on duty, should therefore be supplied with printer's ink, etc., for taking such impressions.

15. (*1*) A party shall not ordinarily be required to supply an identifier for the purpose of serving a summons or notice or any other process on a defendant, respondent, witness or other person whether issued by any subordinate court or the High Court or received from courts outside its jurisdiction, and the serving officer shall serve the summons, notice or process after due enquiry as to the identity of the person on whom, or the house or property where, the same is served. The serving officer shall serve in the presence of at least two independent local residents and he shall, whenever possible, obtain the endorsement by signature or thumb impression of those persons on the original process and, where he is unable to serve the process, he shall, whenever possible, obtain the endorsement by signature or thumb impression of at least two persons of the locality.

(*2*) If it appears to the Court that sufficient information is not given as to the identity and place of residence of the person on whom, or the house or property where a process is to be served, or if the Court is satisfied from the declaration of the serving officer or upon his

examination on oath (if necessary) that the person to be served or the house or property could not be identified after due diligence and enquiry, it may ask the party concerned to supply an identifier.

16. A notice or process shall be served by delivering a copy of it to the person addressed. If the person is literate, he shall be required to sign the original as an acknowledgment of receipt. If he is illiterate, his thumb impression should be taken on the original process.

17. If the person addressed or his agent or an adult male member of his family or other person on his behalf refuses to receive the process or refuses to sign or give his thumb impression but wants to retain the copy, it shall not be made over to him and he shall be informed verbally of the nature of the process. In either case service shall be effected and proved in the manner prescribed in Order 5, rule 17, and it should also be proved that the party was informed that the document tendered was a summons or notice, and that he was made acquainted with the nature and contents thereof.

18. If the person addressed is absent from his residence at the time of attempted service and there is no likelihood of his returning there within a reasonable time and there is no agent empowered to accept service on his behalf, nor any other person on whom service can be made, service shall be effected in the manner directed in Order 5, rule 17. It should be proved according to the circumstances of the case by the declaration of the serving officer and, if necessary, by the affidavit or solemn declaration of some other person or persons (if any) acquainted with the facts that the person was absent from his residence at the time of attempted service and there was no likelihood of his returning within a reasonable time and that there was no agent empowered to accept service, nor any other person on whom service could be made; and in any case that the house on the outer door or other conspicuous part of which a copy of the process was affixed, was the ordinary residence or place of business of the person addressed at the time when it was so affixed. The Court may also proceed under Order 5, rule 19.

19. If service be made under Order 5, rule 15, it should be proved in like manner that the person was absent from his residence at the time of attempted service and there was no likelihood of his returning within a reasonable time, and had no agent empowered to accept the service, and that the person to whom the process was delivered was an *adult* male member of his family, and was actually residing with him at the time of such service. It is to be noted that a servant is not a member of the family within the meaning of this rule.

20. If the service is made under Order 5, rule 14, it should be proved in like manner that the summons or notice could not be served on the defendant or respondent in person, and that he had no agent empowered to accept the service, and that the person to whom the process was delivered was an agent of the defendant or respondent in charge of the land or other immovable property forming the subject-matter of the suit.

21. If the return of service is under Order 5, rule 20, it should be proved in like manner that the house, upon the door or other conspicuous part of which a copy of the process was fixed, was the house in which the defendant or respondent is known to have last resided, or carried on business or personally worked for gain, or that the service was made in all respects in conformity with the order for substituted service, which should accompany the process. It should also be proved in like manner how long, and until what time the defendant or respondent resided in the house, and what has become of him.

NOTE.—In the case of service under Order 5, rules 14, 15, 17 or 20, it must also be proved that proper and reasonable efforts were made to find out the person to be served. For instance, the serving officer should go to the place or places and at the times at which it was reasonable to expect the person would be found, and mere temporary absence of the person does not justify the serving officer in affixing a copy of the summons on the door of the person's house. The process should again be taken to his house to be served upon him when the inquiries made show that he is likely to be at home and to be found there.

22. If the person addressed has no place of residence and he cannot be found or if he is dead, these facts shall be stated in the report together with the names and addresses of at least two persons from whom the facts are ascertained. If the person addressed has ceased to live at the place, his present address, if available, and the source of information should be reported.

23. If the service is made under Order 5, rule 12, on an agent, it should be proved that such agent was empowered to accept service, under Order 3, rules 2, 5, 6; Order 27, rule 2, or section 85 (*1*), Civil Procedure Code, or by virtue of appointment for that purpose in

writing. The party causing the service to be effected must, in both the last mentioned cases, furnish the necessary proof (*vide* Rule 27) to this effect. It is a matter of which, ordinarily speaking, the serving officer would have no knowledge.

24. If the service is made under Order 29, rule 2, it should be proved that the summons or notice was left at the *registered* office of the Company or, if there is no such office, at the place where the Company carries on business, or that it was delivered to any Director, Secretary, or other principal officer.

25. In the case of Railway Administrations or Companies, in addition to service in the usual way, a copy of the summons should be sent by post under Order 29, rule 2 (*b*): provided that if the summons is sent by registered post, service in the usual way may be dispensed with.

26. If the service is made under Order 30, rule 3 (*b*), it should be proved that the person on whom the summons was served had at the time of service the control or management of the partnership business.

27. The Court should in all cases obtain the proof which is above described as requisite either by the declaration of the person by whom the service was effected, and, if necessary, by the affidavit or solemn declaration of some other person or persons (if any) who may have accompanied the serving officer for identifying the party to be served or otherwise assisting or directing the serving officer; or, if deemed necessary, by the examination in Court as witnesses of such persons as the Court may think fit to examine.

28. In addition to the modes of service in the above rules, it is open to the Court even when there has been technical compliance with the provisions of law, to order service in another mode by directing the issue of summons or notice or any other process by means of registered post (acknowledgment due). This should be resorted to specially in the case of minors or *pardanashin* women on whom personal service is not generally possible or when all attempts at personal service on any person have been unsuccessful and the Court is not fully satisfied about due service.

29 (*1*) In determining whether the service is good or sufficient, the attention of the Courts is drawn to the necessity of strictly following the requirements of law in the Civil Procedure Code.

(*2*) Where service is effected under Order 5, rule 17, by affixing a copy of the summons or notice, it is incumbent upon the Court to make an enquiry under Order 5, rule 19, and to record a distinct declaration of due service, if satisfied, or to order such service as it thinks fit.

30. (*1*) If the process is addressed to more than one person the report shall describe the manner of service on each person.

(*2*) Process-servers should invariably note the time and place of service of each individual process and also the sequence in which processes are served on different persons to be served in the same case and on the same occasion, in their reports and declarations.

(*3*) Every return should invariably be written on the spot of service in the presence of the persons witnessing it.

(*4*) Every report of service or non-service shall comply strictly with the directions in these rules and Civil Process Form No. 5, Appendix C, Volume II, and the declaration in proof of service shall be recorded in legible writing in the manner laid down in Form No. 11, Appendix B, Schedule I, Civil Procedure Code, as amended by the High Court of Judicature at Fort William.

N.B.—Instructions for the guidance of process-servers and returning officers—

(*a*) If the process-server is personally acquainted with the person to be served, the fact should be stated. If he is not so acquainted, it should be stated how did he satisfy himself about the identity of the person.

(*b*) It should be seen that the name of the person who accepts service corresponds exactly with the name given in the process. Where the signature in token of acceptance differs from the name given in the process, the discrepancy should be explained.

(*c*) Where the process is served on some person other than the person named therein, who accepts the process on his behalf, it should be stated whether such person is an adult, and whether he is living with and is undivided from the person on whose behalf he accepts service.

(*d*) Where service is accepted by an agent, it should be stated whether such person is duly authorised to accept service.

(*e*) Where a person refuses to accept the process, the grounds thereof, if any, and the names of the persons witnessing the refusal should be given.

(*f*) Where a process is affixed owing to the absence of the individual named therein, it should be stated, if possible, both when he left home and when he is likely to return. The attempts made to find out the person to be served should also be stated (see Note under Rule 21).

(*g*) When personal service is not possible on *pardanashin* women, an attempt should be made to serve some male member of the family.

31. When the summons or notice which has been served is the summons or notice of another Court transmitted to the serving Court for the purpose of service only, then, upon service being effected, this latter Court should retransmit the summons or notice to the Court by which it was issued, together with (*1*) the Nazir's return, (*2*) the declaration or deposition of the serving officer and the affidavit or solemn declaration or deposition of the witnesses (if any) relative to the facts of service, (*3*) the record of such Court's proceedings with regard thereto (Order 5, rule 23), and (*4*) in a case where any of these documents is in a language different from that of the district from which the process issues, an English translation of such document.

Additional Rules relating to the service of Notices issued by the High Court.

32. On receipt of the proceedings of the High Court, transmitting the notices of appeal or application, the lower court shall cause their service without the payment of any further fee and without any further action by the Appellant: provided that:—

(1) any additional fees for boat-hire or ferry toll exigible under Rule 7 of the Rules framed under clause (*i*) of section 20 of the Court Fees Act, VII of 1870, shall be deposited by the appellant or applicant in the Court of service;

(2) the appellant or applicant or some one employed by him may, if he desires, accompany the serving officer for the purpose of pointing out the residence of the respondent or opposite party.

33. The date fixed for the hearing of the case and the time allowed for service and return of the process to the High Court shall be specified in the notice.

33A. The lower courts shall issue all notices immediately on receipt thereof and in their returns of service, shall in every instance insert—(*a*) date of receipt of notice; (*b*) date of delivery to the serving officer; and (*c*) date of receiving it back from him.

33B. It shall be the duty of the lower court to cause the notice to be served in sufficient time before the date fixed, and, if such service be impracticable, to state, when returning it to the High Court, the reasons thereof. The lower court shall satisfy itself that a valid service has been made or that there has been a failure of service and shall certify such opinion with the reasons in case of failure of service. The certificate shall be accompanied by the return of service or of failure to serve the notice and the declaration of the serving officer specifying the fact and mode of service or the reason for non-service.

33C. Notice for service on respondents or opposite parties residing in any district other than that from which the appeal, application, etc., comes, shall be sent by the Deputy Registrar (Appellate Side) to the proper court in the district in which such notice is to be served. If, however, the opposite party or any of the parties to be served resides in the same district but outside the jurisdiction of the Court from which the appeal, application, etc., comes, the notice shall be sent for service to the Court within whose jurisdiction the party resides, if known; if not known, then to the Court from which the appeal or application comes, directing the latter to forward it to the proper court within the jurisdiction of which the notice is to be served. The Court which serves any notice shall in every case make its return of service or of the failure of service (as the case may be) direct to the High Court and shall be guided by Rules 32, 33A, 33B, of this Chapter."

By order of the High Court,

N. L. HINDLEY, *Registrar.*

1. Two classes of students are admitted to the college:—

(1) *Civil pupils' class.*—Admission to this class is restricted to students, male or female, who were born within or whose parents are domiciled within the territorial jurisdiction of the Calcutta University. Three students are also eligible for admission from the Dacca University area and three from the Dacca Intermediate Board. Students from other provinces and from Indian States for whom places have been reserved are also eligible for admission to the college.

Only students who intend to take the M. B. examination of the Calcutta University are admitted to this class.

(2) *Military pupils' class.*—Only European or Anglo-Indian students are admitted to this class (see separate prospectus for military pupils whose admission is regulated by the Director-General, Indian Medical Service).

NOTE.—Casual students are not admitted. No students are admitted other than those in one or other of the above classes.

2. The minimum preliminary qualification for admission is the First Class Pass certificate of the I. Sc. examination of the Calcutta University with Physics, Chemistry and Mathematics or an examination recognised as equivalent to it. This rule may be relaxed in favour of Muhammadan students and such candidates having passed the said examination in the second division may be admitted, provided they are otherwise considered suitable, to make up the number allotted for the Muhammadan students. In assessing the claims of those eligible for admission special weight will be attached to proficiency in English.

3. (*a*) Female students qualified under rules 1 and 2 will be admitted to the college, provided there is a vacancy in the Swarnamoyee Hostel in which all female students must reside. For special reasons to be recorded in writing, the Principal may allow any female student to reside outside this Hostel.

(*b*) Female students studying in the college but belonging to provinces other than Bengal and not domiciled in Bengal will pay rents for accommodation in the Swarnamoyee Hostel.

4. The session commences with the summer term which begins on the 15th June and ends on the day before the commencement of the Durga Puja holidays. The winter term commences on the day after close of the Durga Puja holidays and ends on the 31st March.

5. All applications direct from new students in Bengal for admission to the college should be accompanied by a fee of Rs. 4 which will not be refunded.

All new students must apply for admission to the Principal, Medical College, Calcutta, in the prescribed form, available in his office before the 25th May except in the following cases:—

(*a*) Students from other provinces for which places are reserved should apply to the Inspector-General, Civil Hospitals, of those provinces for admission within such dates as that officer may prescribe.

NOTIFICATION.

No. 2135 F.—28th April 1933.—In exercise of the powers conferred by rules 41, 42 and 44 of the Civil Services (Classification, Control and Appeal) Rules, the Governor in Council and acting with his Ministers hereby makes the following rules:—

Part I—General.

1. (*1*) These rules may be called the Bengal Services (Compulsory Retirement) Rules, 1933, and will remain in force until 31st December 1933.

(*2*) (*a*) They apply to Government servants in wholetime permanent service whose conditions of service the Bengal Government are competent to determine and who, on or after the 1st December 1932, have been, or may, while these rules remain in force, be selected for compulsory discharge before reaching the age of superannuation with a view to securing a reduction on purely financial grounds in the cadres of their respective Services:

(*b*) A Government servant whose offer to retire on the conditions specified in these rules is accepted by Government shall be deemed to have been selected for compulsory discharge as aforesaid.

(*3*) Notwithstanding anything contained in sub-clause (*2*) these rules shall not apply to—

(*a*) a Government servant who, on the date on which he is required to demit office, has at his credit sufficient leave admissible on average or half average pay to carry him to the date of his superannuation;

(*b*) a Government servant on leave when he is selected for compulsory discharge who is required by rule or order to produce a certificate of fitness before he returns to duty and whom the competent medical authority pronounces permanently unfit to return to duty;

(*c*) a Government servant granted at his own request before he is selected for compulsory discharge leave with permission to retire on its expiry;

(*d*) a Government servant against whom disciplinary proceedings are in progress, unless he is honourably acquitted of the charges pending against him;

(*e*) a Government servant who has been or may, while these rules remain in force, be required by Government to show cause why he should not be discharged for inefficiency, unless he is absolved of the charge;

(*f*) a Government servant subject to the provisions of article 465A., Civil Service Regulations, who, having completed qualifying service to the extent prescribed therein, is considered by the Secretary of State in Council to be unfit for retention on personal as opposed to financial grounds;

(*g*) save to the extent provided in sub-rule (*2*) of rule 6 of these rules, a Government servant on extension of service beyond the age of superannuation.

2. For the purposes of these rules the age of superannuation is the age prescribed in rule 56 of the Fundamental Rules: Provided that for ministerial servants who have attained the age of 55, it is the age at which the authority competent to order their discharge requires them to retire.

3. A Government servant admitted under these rules to any benefit which is not otherwise admissible to him may, if he is subsequently continued or re-employed in Government service, be required to forego that benefit to such extent as the Local Government may by general or special order direct.

Part II.—Superior Pensionable Service.

4. The rules in this Part apply subject to the provisions of rule 1 to Government servants in pensionable service whose service is classed as superior.

5. (*1*) No gratuity in lieu of notice admissible otherwise than under these rules shall be paid to any Government servant—

(*a*) whose offer to retire is accepted; or

(*b*) who, being required to retire, is entitled under these rules in respect of the period beginning from the day following that on which he is served with notice of discharge to total receipts, by way of pay, leave salary and gratuity under rule 10, exceeding the amount of pay that would have been admissible to him had he held for three months from the beginning of that period the permanent post on which, at the time he proceeds on leave, he holds a lien, or would hold a lien had his lien not been suspended.

(*2*) To a Government servant whose total receipts accruing from the sources aforesaid fall short of three months' pay calculated in the manner aforesaid, so much gratuity only shall be paid in lieu of notice as will suffice to supplement that income up to three months' pay calculated in the manner aforesaid.

6. (*1*) A Government servant to whom this Part applies shall be granted from such date as Government may determine such leave on average and/or half average pay pending retirement as is due and admissible to him other than leave on medical certificate:

Provided that no such leave shall extend—

(*i*) beyond a date 28 months from that date;

(*ii*) beyond the date on which he attains the age of superannuation;

(*iii*) beyond the date from which he asks that his pension should take effect;

whichever of these three dates is earliest.

(*2*) Notwithstanding anything hereinbefore contained leave due other than leave on medical certificate may be granted up to six months in all to a Government servant who (*1*) being a ministerial servant has attained the age of 55 years; or (*2*) not being a ministerial servant, has been granted before 1st December 1932 an extension of service beyond the date of his superannuation:

Provided that such leave shall nevertheless terminate for a ministerial servant when he attains the age of 60 years, and for a person not being a ministerial servant when his current extension of service expires.

7. A Government servant to whom this Part applies shall receive the pension admissible to him under the rules governing compensation pension in force at the date of his retirement.

8. (*1*) Notwithstanding anything contained in the rules ordinarily applicable to him, a Government servant to whom this Part applies shall be entitled—

(*i*) to count as qualifying service for ordinary pension all leave granted to him pending retirement which he enjoys subsequent to the date on which notice of discharge is served upon him or on which he is permitted to demit office: Provided that a Government servant whose pensionary conditions are governed by article 349A, Civil Service Regulations, shall count as qualifying service for such pension x/24ths of the period of such leave not otherwise qualifying for pension, where x is the number of completed months elapsing between the date of expiry of the leave taken and the date of superannuation, but in no case more than the period of leave not otherwise qualifying.

(*Note.*—The counting of such leave for special additional pension shall be limited to the amount permissible under the ordinary rules.)

(*ii*) to be treated for the purpose of articles 403, 404-A, 475 and 475-A, Civil Service Regulations, as if he were being retired on superannuation pension.

(*2*) Nothing in clause (*i*) of sub-rule (*1*) shall affect the counting of leave for special additional pension which shall be subject to the limitations prescribed in the Civil Service Regulations.

9. In lieu of the gratuity admissible under article 474, Civil Service Regulations, for qualifying service falling short of the minimum service qualifying for pension, a pension for qualifying service of not less than seven but less than ten completed years at the rates and subject to the maxima shown below:—

Completed years of qualifying service.	Rate of pension.	Subject to a maximum of rupees a year.
		Rs.
7	7/60ths of average emoluments	1,400
8	8/60ths ,, ,,	1,600
9	9/60ths ,, ,,	1,800

10. (1) A Government servant to whom this Part applies shall be granted, if his record of service is satisfactory, a gratuity calculated on the pay of the permanent (non-tenure) post on which he holds a lien, on the date on which he is served with notice of discharge (or would hold a lien had it not been suspended), or on the date on which Government accepts his offer to retire.

(2) The gratuity shall be determined with reference to his length of service on such date on the following scale, namely, 1/24th of a month's pay for each completed month of total service, to a maximum of 7½ months' pay when total service amounts to 180 months, diminishing thereafter by 1/24th of a month's pay for each completed month of service in excess of 180 months.

(3) For the purpose of this rule total service shall be reckoned from the date of commencement of service qualifying for pension and shall include periods of leave, ordinary and extraordinary, but not any period of added service admissible under articles 357A, 403 or 404A, Civil Service Regulations, or under special orders.

(4) The gratuity shall be paid in rupees as soon as may be after the Government servant demits office, any sterling portion being converted at the rate of *1s. 6d.*

11. A Government servant to whom this Part applies shall receive—

(*a*) travelling allowance for himself and his family according to the Service rules governing transfers applicable to him (except that he shall be given no additional fares for himself) from the station of his last employment to the place within India where he takes up permanent residence within six months of the date of his demitting office, or

(*b*) if he satisfies the Local Government of his intention to settle outside India—

(*i*) travelling allowance as aforesaid from the station of his last employment to the port of embarkation;

(*ii*) for himself and for any member of his family who was residing with him in India when he received notice of discharge or when his offer to retire was accepted; a steamer passage provided by Government of the grade appropriate to his official status, subject to the conditions and limits of amount prescribed in the Passage Rules relevant to him or that may be applied by equitable analogy, by the all sea route to a port serving the country of his choice;

Provided that the Government servant and any member of his family for whom such steamer passage is claimed leaves India within six months of the Government servant's demitting office.

Part III.—Superior Non-pensionable Service.

12. (1) The rules in this Part apply, subject to the provisions of rule 1, to Government servants in non-pensionable service whose service is classed as superior.

(2) A Government servant whose conditions of service are governed by a written contract or agreement shall be deemed to be in permanent service if the terms thereof do not provide for his service to be determined after a specified number of years or on a specific date other than the date on which he attains the age of 55, but shall not be so deemed if the terms of the contract or agreement contain such provision.

13. A Government servant to whom this Part applies shall be granted:—

(a) if express provision exists in any contract or agreement in force between him and Government determining the terms of premature discharge, the terms provided in that contract or agreement:

(b) otherwise, the terms provided for persons in pensionable service in rules 5, 6 and 11 and in addition such gratuity as the Local Government may consider just and equitable, but in no case exceeding in amount what would have been payable had his service been permanent and pensionable and subject to the same conditions:

Provided that if his conditions of service include Government contribution to a provident fund, he shall be credited with that contribution for the period of leave enjoyed by him under rule 6 as hereinbefore rendered applicable to him, but shall be exempt from the obligation to subscribe to the fund during that leave.

Part IV.—Inferior Pensionable Service.

14. The rules in this Part apply, subject to the provisions of rule 1, to Government servants in pensionable service whose service is classed as inferior.

15. A Government servant to whom this Part applies compulsorily discharged shall be served with three months' notice of discharge and shall be either retained in service till the expiry of this period or, if required to quit service before its expiry, granted leave on full average pay, whether due or not, for the remainder of this period.

16. A Government servant to whom this Part applies whose offer to retire under these rules is accepted by competent authority shall be given no notice but shall be granted from the date of acceptance of his offer such leave on full average pay limited to three months as may be admissible to him.

17. A Government servant to whom this Part applies shall receive the compensation gratuity or pension admissible to him under article 481, Civil Service Regulations:

Provided that, if his qualifying service on the date on which he is required or permitted to demit office is not less than 25 but less than 30 years, he shall receive, if his substantive rank on that date qualifies him for a half pay pension not exceeding Rs. 4 a month under sub-clause (4) of clause (b) of that article, a pension of Rs. 3-8 per mensem in lieu of the compensation gratuity provided in clause (a) of that article; or if his qualifying service is more than 20 but less than 25 years, a pension of Rs. 2-12 per mensem in lieu of the compensation gratuity provided in clause (a) of that article; provided further that if his substantive rank qualifies him for a higher pension than a pension not exceeding Rs. 4 per mensem under sub-clauses (1), (2) or (3) of clause (b) of that article; he shall be granted, if his qualifying service is not less than 25 but less than 30 years, a pension of 4/5ths of the amount admissible to him after 30 years' service, or if his service is not less than 20 but less than 25 years, a pension of 2/3rds of that amount.

18. In addition to any compensation gratuity or pension otherwise admissible, a Government servant to whom this Part applies shall receive as gratuity for premature retirement:—

(1) if he is ineligible for a pension under rule 17 a gratuity of half a month's pay for each completed year of total service; or

(2) if he is eligible for a pension, a gratuity of one-quarter of a month's pay for each year of total service, to a maximum of 7½ months' pay after 30 completed years, and diminishing thereafter by one-quarter of a month's pay for each completed year in excess of 30 years.

For the purpose of this rule the amount of total service and the basis for calculating gratuity shall be determined in the manner provided in rule 10.

19. A Government servant to whom this Part applies shall receive two 3rd class fares from the station of his last employment to the place within India where he takes up permanent residence within six months of the date of his demitting office.

Bills introduced in the Council of State and Legislative Assembly, Reports of Select Committees presented to the Council and Assembly and Bills published under Rule 18 of the Indian Legislative Rules.

GOVERNMENT OF INDIA.

Legislative Department.

The following Bill was introduced in the Council of State on the 20th March, 1933:—

C. OF S. BILL NO. 2 OF 1933.

A Bill to amend the Legal Practitioners Act, 1879.

WHEREAS it is expedient to amend the Legal Practitioners Act, 1879, hereinafter referred to as "the said Act", for the purposes hereinafter appearing; XVIII of 1879.

It is hereby enacted as follows, namely:—

1. (*1*) This Act may be called the Legal Practitioners Amendment Act, 193 , and shall apply to the whole of British India.

(*2*) It shall come into force at once.

2. At the end of the section 13 of the said Act, *add* the following explanation:—

"The words 'reasonable cause' in clause (*f*) refer to and must be intended always to have referred only to acts done in professional capacity."

STATEMENT OF OBJECTS AND REASONS.

The Bill is necessitated by the tendency of the High Courts to assume jurisdiction over the public and the private activities of a practitioner unconnected with his professional capacity.

The Legal Practitioners Act must have intended only to take notice of professional malpractices. The superintendence and control by the High Court over non-professional activities of practitioners is being justly resented.

The jurisdiction of the High Court in this matter is founded always on the general words used in section 13, clause (*f*), which according to the established canons of interpretation must refer to a course 'ejusdem generis'. The Lordships of the Privy Council in interpreting a similar clause in order 47, rule 1 of the Civil Procedure Code, have held it to mean a reason sufficient on the grounds at least analogous to those specified immediately previously.

The Bill is meant to remove the doubt regarding the interpretation of clause 13 (*f*) and to restrict its scope definitely to professional misconduct.

The Bill is given retrospective effect to remove the hardship done to practitioners by the wrong interpretation of clause 13 (*f*).

WHEREAS it is expedient to supplement by legislation in the Indian Legislature the provisions of the Bengal Public Security Act, 1932, the Bihar and Orissa Public Safety Act, 1933, the Bombay Special (Emergency) Powers Act, 1932, the United Provinces Special Powers Act, 1932, and the Punjab Criminal Law (Amendment) Act, 1932, for the purposes hereinafter appearing; It is hereby enacted as follows :—

2. (*1*) An appeal shall lie to the High Court of Judicature at Fort William in Bengal from—

(*a*) any sentence passed by a Special Magistrate in any trial held under the Bengal Public Security Act, 1932, in the Presidency-town of Calcutta, and Ben. Act XXII of 1932.

(*b*) any sentence of imprisonment for a term exceeding 4 years passed by a Special Magistrate in any trial under the said Act held outside the Presidency-town of Calcutta.

(*2*) An appeal under sub-section (*1*) shall be presented within thirty days from the date of the sentence, and shall be disposed of by the High Court in the manner provided in Chapter XXXI of the Code of Criminal Procedure, 1898, for the hearing of appeals. V of 1898.

Bom. Act XVI of 1932.
U. P Act XIV of 1932.

Jurisdiction barred.

4. Except as provided in the Bengal Public Security Act, 1932, as supplemented by this Act, no proceeding or order purporting to be taken or made under the Bengal Public Security Act, 1932, shall be called in question by any Court, and no civil or criminal proceeding shall be instituted against any person for anything in good faith done or intended to be done under the said Act or against any person for any loss or damage caused to or in respect of any property whereof possession has been taken under the said Act.

Ben. Act XXII of 1932.
Ben. Act XXII of 1932.

Bar of issue of directions of the nature of a *habeas corpus*.

5. The powers conferred by section 491 of the Code of Criminal Procedure, 1898, shall not be exercised in respect of any person arrested, or committed to or detained in custody under the provisions of the Punjab Criminal Law (Amendment) Act, 1932.

V of 1898.
Punj. Act III of 1932.

STATEMENT OF OBJECTS AND REASONS.

The enactments passed by certain provincial Legislatures to replace some of the provisions of the Special Powers Ordinance, X of 1932, contain provisions which require to be supplemented by an Act of the Indian Legislature. It is proposed by this Act to provide for appeals to the High Court in certain cases and to exclude their jurisdiction in other matters.

NEW DELHI; H. G. HAIG.

The 9th March, 1933.

NOTES ON CLAUSES.

Clause 2.—It is not within the power of the local Legislature to pass the legislation necessary to provide for appeals to the High Court from sentences passed by Special Magistrates under the local Act. Where appeals lie to a Court of Session the local Act has provided for them. This clause provides for appeals in cases left unprovided for by the local Act.

Clause 3.—The three local Acts re-enact the provisions contained in section 78 of Ordinance X of 1932. Whereas, however, section 78 of the Ordinance excluded the jurisdiction of High Courts, enactments in the local Acts have no such effect. This clause is designed to supplement them in this respect.

Clause 4.—This clause does for section 27 of the Bengal Public Security Act, 1932, what clause 3 does for the local Acts therein referred to.

Clause 5.—This clause, on the analogy of section 491 (*3*) of the Criminal Procedure Code, bars jurisdiction under the powers conferred by that section in respect of action taken under section 2 of the Punjab Criminal Law (Amendment) Act, 1932.

No. 37T.Edn.—21st April 1933.—The report on the Bruce Institution for the year 1932 is published for general information.

H. R. WILKINSON,
Secy. to the Govt. of Bengal.

Report on the working of the Bruce Institution for the year 1932.

Calcutta, the 15th March 1933.

I. **Control.**—Mr. J. M. Bottomley, officiating Director of Public Instruction, acted as Honorary Secretary to the Bruce Institution up to the 8th April 1932, when Mr. H. E. Stapleton, the permanent Director, resumed charge on his return from leave.

(2) During the year under review the following were appointed as Governors:—

(3) The following were the Governors at the end of the year under review:—

The Hon'ble the Chief Justice of Bengal (*Ex-officio*).

The Most Revd. the Lord Bishop of Calcutta (*Ex-officio*).

The Surgeon-General with the Government of Bengal (*Ex-officio*).

The Mayor of Calcutta (*Ex-officio*).

The Director of Public Instruction, Bengal (Honorary Secretary). (*Ex-officio.*)

The Hon'ble Mr. Justice R. E. Jack, I.C.S.

The Revd. Father F. Keyeux, S.J.

The Revd. G. S. Henderson.

The Revd. T. H. Cashmore.

Mrs. W. A. Burns.

Mr. A. L. Collet.

Mr. T. G. Barker (officiating Inspector of European Schools, Bengal).

II. **Capital and Income.**—The capital of the Institution now includes a permanent investment of Rs. 10,65,000 in 3½ per cent. stock certificates, together with a temporary investment of Rs. 22,500, the scrip of which was all held by the Deputy Controller of Currency. The main corpus of the fund in the year 1931 was Rs. 10,62,000 and this was raised to Rs. 10,65,000 in the course of the year 1932 by the purchase of Rs. 3,000 (nominal) 3½ per cent. stock at a cost (met out of savings) of Rs. 1,943-6-5. In addition, the temporary investment, which previously consisted of Rs. 12,000 4½ per cent. Loan of 1955-60, and Rs. 5,500 5 per cent. Loan of 1939-43, was increased by the purchase (at the cost of Rs. 4,796-12-4) of Rs. 5,000 4½ per cent. Loan of 1955-60.

(2) The temporary investments from savings thus stood at the end of the year at Rs. 22,500 as compared with Rs. 25,500 in 1931, the difference being due to Rs. 8,000 on fixed deposit in the bank at the end of 1931 being repaid and only partially replaced by the purchase, mentioned in the previous paragraph, of Rs. 5,000 4½ per cent. Loan.

(3) The total interest obtained in 1932 was Rs. 38,097-6-1 (against Rs. 37,995-14-10 in 1931 and Rs. 38,014-3-0 in 1930). In addition there were certain refunds—Rs. 3-14 on account of income tax, Rs. 60 on account of education and maintenance of two wards, as well as Rs. 40 contribution from two parents, making the total income for the year Rs. 38,201-4-1 as compared with Rs. 38,046-14-10 in 1931.

(4) The amounts received as interest, etc., were kept with the Imperial Bank of India, and in May 1932 Rs. 4,000 was placed with the Mercantile Bank of India for six months, on fixed deposit at 4½ per cent., in order to earn extra interest. The year opened with a balance of Rs. 8,359-3-10 *plus* Rs. 8,000 on fixed deposit with the Imperial Bank, or Rs. 16,359-3-10 in all, and closed with a balance of Rs. 13,243-2-3, after investments totalling Rs. 6,740-2-9 as detailed in the first paragraph of this section had been made.

(5) The following table shows the progress of expenditure during the last five years as compared with the income:—

	1928	1929	1930	1931	1932
	Rs. a. p.	Rs. a. p.	Rs. a. p.	Rs. a. p.	Rs. a. p.

Expenditure ..	38,847 0 2	38,141 4 2	36,293 4 8	34,644 13 8	34,577 2 11
Closing balance ..	13,583 3 10	13,328 4 4 (+300 0 0 5 per cent. loan).	15,063 12 8	16,359 3 10 (+2,106 10 0 investments).	13,243 2 3 (+6,740 2 9 investments).
Total ..	52,430 4 0	51,769 8 6	51,357 1 4	53,110 11 6	54,560 7 11

(6) From the above summary it will be seen that the financial position of the fund is steadily improving. Considerable investments have been made during the year, and in spite of a large increase in the number of new wards (14 in 1932 and 16 in 1933), it seems possible—especially if the policy is pursued of striking off the names of wards whose work is unsatisfactory—that there will be, during the next few years, an annual surplus of income over expenditure for investment. This may ultimately enable the Governors to consider the possibility of raising the present age limit of 17, and assisting more girls to take University Examinations.

(7) The number of wards on the 31st December, for each of the last five years, will be seen from the table given below:—

1928	1929	1930	1931	1932

(8) Six wards were withdrawn during the year, and one was struck off the rolls for absence without leave. Up to the date of the writing of this report (15th March 1933) ten of the total of 95 wards on 31st December have left, either on reaching the age of 17 or at the end of extensions granted to them. In addition two others were struck off for unsatisfactory progress reports. At the time of writing there are therefore 83 old wards *plus* 16 newly elected wards, or 99 wards in all, as compared with 101 on the same date in 1932.

III. **Election to vacancies, etc.**—The annual election of wards was held on Monday, the 5th December 1932. On that date 17 vacancies were anticipated before 1st January 1933, but it had previously been decided to advertise 14 vacancies, and 84 applications were received. These were considered by a sub-committee consisting of (1) the Revd. Father F. Keyeux, S.J., (2) the Revd. T. H. Cashmore, (3) the Revd. G. S. Henderson, (4) Mrs. W. A. Burns and (5) Mr. T. G. Barker, officiating Inspector of European Schools, Bengal (Convenor), and on their recommendation 14 girls were elected. Two supplementary cases were recommended, and as the financial state of the fund seemed to justify their admission, one of them was admitted from the 1st January and the other from 1st March 1933. Of the 16 girls elected (against 14 in the previous year) five were placed in the Pratt Memorial School, two in the Loreto Convent, Asansol, three in the Loreto Convent, Entally, three in the Calcutta Girls' High School, one in St. Paul's Mission School, one in Dow Hill School, and one in St. Joseph's Convent, Kalimpong.

(2) As favourable medical and school reports were received regarding 12 of the 14 girls elected in 1931, only these were confirmed by the Governors. The remaining two were kept on probation for a further period of one year.

(3) Of the 19 girls who left during the year under report—

Six were withdrawn by their parents,
One was struck off the rolls for absence without leave,
Two for unsatisfactory progress reports, and
Ten on completing 17 years.

(4) Of the 16 wards withdrawn during the year 1931, one left school of her own accord and her whereabouts cannot be traced. Of the remaining 15, one took up work as a kindergarten teacher, and has this year joined the Dow Hill Training College for training as a teacher. One joined the Presidency General Hospital as a nurse. One passed the Higher Grade School Final Examination with distinction in Arithmetic, Commercial Correspondence and Accounts and, though awarded a prize of Rs. 150, seems to have found difficulty in obtaining employment. One took up a post as teacher in the Convent at Dehra Dun, and another *ex*-ward is a pupil-teacher at St. Thomas', Kidderpore. One joined a doctor as his secretary, and was reported last year to be doing well. One took up training as a child's nurse and was stated to be giving satisfaction. Two took up commercial training with a view to employment as steno-typists. One joined the Loreto Convent, Asansol, for higher studies, with the intention of either taking a teachers' training course or of studying medicine in the Campbell Hospital where her mother was engaged as a nurse. Another was re-admitted to the fund as a day scholar. She was subsequently withdrawn from school, but was not successful in securing employment and is reported to be staying with her father. Of the remaining four, one is stated to have been enticed away from her mother, one died last December, and no reply was received about two others.

(5) At the close of the year the 95 girls on the rolls were distributed as follows:—

Loreto Convent, Entally—	
1st boarding ...	16
2nd boarding ...	10
Calcutta Girls' School ...	18
Pratt Memorial School ...	5
St. Thomas' School, Kidderpore ...	7
St. Paul's Mission School ...	10
Loreto Convent, Asansol ...	20
St. Mary's Convent, Naini Tal ...	2
Dow Hill School, Kurseong ...	2
Mount Hermon School, Darjeeling ...	1
Bishop Westcott School, Ranchi ...	2
St. Helen's Convent, Kurseong ...	2
Total ...	95

(6) The following table gives particulars as to the class and religion of the wards at the close of the year:—

Class.	Roman Catholic.	Church of England.	Non Conformist.	Total.
1. Orphans or deserted by their parents.	15	6	3	24
2. Fatherless or motherless or deserted by their father or mother.	27	22	4	53
3. Those who have both parents alive.	7	8	3	18
	49	36	10	95

IV. **Education and Maintenance.**—The nature of the education imparted to the wards continued to be that prescribed for higher grade schools under the Code of Regulations for European Schools in Bengal, but about half the total number of wards read in secondary schools.

(2) The Governors are anxious that Bruce wards should become useful citizens when they leave school and have accordingly asked the Visiting Governors to make, in consultation with the school authorities, definite proposals where this seems desirable for training wards who have attained or are about to attain the age of 14, so that the last three years of their school life may be spent to the best advantage and be a preparation for earning a living.

(3) The following are the only successes of Bruce wards at public examinations that have been reported up to the date of issue of this report. Two girls passed the Cambridge School Certificate Examination, and one secured a full certificate of the London Institute in needlework and is appearing at the Matriculation Examination during the current month. Two others are reported to have passed in home nursing and dress making and in needlework and cooking, respectively.

(4) Under the rules a ward is not ordinarily allowed to remain on the foundation after the age of 17, when an outfit grant of Rs. 100 is given to enable her to make a start in life. In cases where wards wish to be trained as teachers, and have the support of the school authorities, or when some special training is recommended, or when a ward is preparing for a higher examination, such as the Intermediate Arts or Commercial Course Examinations, and in the event of a ward being well reported on, some extension of the period of benefit is generally allowed. Six wards were granted extensions during the year under report, three of them up to the end of the year and the remaining three for longer periods.

(5) The average monthly cost for the actual education and maintenance of each ward amounted to Rs. 25-6-0 against Rs. 25 in the preceding year. If all expenditure in connection with the trust be included the figures are Rs. 28-8-6 and Rs. 28-4-0, respectively.

(6) The amounts paid under the different heads of expenditure were as noted below:—

1931.		Rs.	a.	p.
Education and maintenance	..	30,549	13	4
Office establishment	...	1,138	4	0

V. **Inspection.**—Mr. Maurice Remfry was appointed Visiting Governor for the first half and the Revd. G. S. Henderson for the second half of the year 1932 to visit schools—chiefly those in Calcutta—who have Bruce wards. Mr. Remfry visited all the schools in Calcutta and saw the wards in each of them. He was specially impressed with the healthy appearance of the girls at St. Thomas', Kidderpore, compared with the other Calcutta schools. The Governors agreed with Mr. Remfry's suggestion that the interviewing of Bruce wards by Visiting Governors should be done in the absence of the Principal or any member of the staff, as the girls speak more freely when alone. At the end of the visit, necessary points can be discussed with the school authorities.

The Revd. Geo. Henderson's report had not been submitted by the date and annual report was written.

VI. **Meetings.**—Four meetings were held during the year, and among the resolutions passed the following may be noted:—

(*i*) That, except in the case of the Junior Cambridge Examination, the examination fees of wards appearing at examinations recognised by any Provincial Code of Regulations for European Schools, or by a University, may be sanctioned from the Bruce Fund.

(*ii*) That certain further additions to and alterations in the Revised (1930) Edition of the Governors' Rules be approved and notified to all schools in which Bruce wards are reading.

(*iii*) That the authorities of all Calcutta schools in which Bruce wards are reading be instructed to send wards whose eyes require attention in future to the eye infirmary of the Medical College Hospital instead of to unqualified opticians for sight testing.

(*iv*) That the following school be added to the list of schools recognised by the Bruce Institution to which Bruce wards may be sent:—

St. Joseph's Convent, Bankipore.

Resolution on the Report on the working of the Co-operative Societies in the Presidency of Bengal for the year ending 30th June 1932.

DARJEELING, THE 29TH APRIL 1933.

RESOLUTION—No. 72T.A.I.

Minister-in-charge: The Hon'ble Nawab K. G. M. Faroqui, Khan Bahadur.

Read—

The Report on the working of the Co-operative Societies in the Presidency of Bengal for the year ending 30th June 1932.

Rai S. K. Ganguly Bahadur was in charge of the department throughout the year under review. There was no change in the strength of the superior staff, which consisted of five Assistant Registrars in charge of administrative divisions and one Personal Assistant. In two consecutive reports the Registrar has represented the necessity for the assistance of a Deputy Registrar to enable him to devote greater attention to the more important problems connected with the movement—problems which have increased in volume and complexity. He has also pointed out the need for strengthening the staff of Divisional Assistant Registrars by the creation of a sufficient number of District Assistant Registrars.

Financial stringency has precluded consideration of strengthening the superior controlling staff, but in the meantime some relief has been afforded to the department by the provision of additional posts, 4 of Inspectors and 18 of additional Auditors, for which recruitment is now being made: with this addition the audit staff will reach its full complement.

The year under review was one of heavy stress on the staff of the department as a result of the intensive programme of inspection, supervision and audit, which the Registrar had prescribed in order to cope with existing abnormal circumstances. The staff had also to assist Central Banks in the collection of dues and in the reconstitution of unsatisfactory societies. It is gratifying to note that the officers of the department showed commendable zeal and energy in the discharge of these additional duties imposed upon them.

2. The co-operative movement in Bengal has had to pass through yet another critical year. As observed by the Registrar, so far as the agricultural population was concerned, the situation created generally by world-wide economic conditions was rendered worse than in the preceding year by the continued slump in the prices of agricultural produce, particularly of jute which is practically a monopoly of Bengal: in addition several areas in northern and eastern Bengal were affected by floods resulting in loss of crops. The financial consequences to the cultivators throughout the province were extremely serious and naturally their capacity to repay existing loans was considerably diminished. These conditions were of course reflected in the collections of primary societies and in the repayment of their dues to their financing institutions, the result being a general weakening of the financial condition of societies throughout the province. Government, therefore, fully endorse the Registrar's view that so far as the credit movement is concerned the policy to be followed for the present should be consolidation and not expansion. In paragraph 14 of his report the Registrar has indicated the lines on which this work of consolidation has been taken up. Government trust that the completion of the process will go far to ensure the rehabilitation of the movement.

3. Although in the prevailing adverse circumstances substantial improvement in the collection of dues was impracticable, it is noteworthy that special attention was paid to the realisation of outstandings. The result though not entirely satisfactory was, on the whole, encouraging. Efforts were at the same time made to adjust the financing system to existing conditions having due regard to the contraction of the credit of the societies' members and consequently of their repaying capacity. Enquiries have also been initiated with a view to ascertaining the actual position with

regard to the loans held by members and to classifying them according to the objects on which they have been spent so as to enable the Central Banks to estimate requirements of long-term capital and to secure the loans accordingly on a proper basis These investigations will also throw light on the feasibility of the establishment of Land Mortgage Banks on a co-operative basis.

4 The economic depression had an adverse effect not only on the credit side of the movement, but also on the non credit societies which generally suffered Low prices and a fall in the demand for produce along with unfavourable marketing conditions affected the operations of societies of this class.

Among other forms of co operation the irrigation and drainage societies in the districts of Bankura and Birbhum have great possibilities for the improvement of agriculture, and the valuable work done by anti-malarial and public health societies and rural reconstruction societies also merits mention

5. The Governor acting with the Minister notices with regret the occurrence of the cases of defalcations and fraud which were brought to light during the year. In paragraph 7 of his report the Registrar has indicated the additional checks and safeguards which have been devised for the prevention of such cases in the future. The system of running audit of Central Banks will be of considerable assistance to this end and the Directors will do well to pay heed to the Registrar's advice on the subject of internal checks and verifications. Government, while observing that the possibility of such defalcations will exist so long as the highest standard of probity is not maintained by persons having control of public funds, share the Registrar's hope that the adoption of the measures devised by him wlll minimise the risk of fraud or lead to its early detection.

6. The thanks of Government are due to Rai S. K. Ganguly Bahadur for the efficient manner in which he has discharged his duties during another year of stress and anxiety. The Minister-in-charge trusts that the measures initiated and adopted by him as indicated in the report under review and referred to in this resolution will have the desired effect on the general stability and progress of the co-operative movement in the province The Minister in charge has great pleasure in acknowledging the valuable assistance rendered to the movement by the various district, subdivisional and other officers named by the Registrar who have spared no pains to assist the movement He is also pleased to notice the good work done by the officers of the department mentioned by the Registrar

3. **Method of paying tax.**—The tax shall be paid to the Taxing Officer of the area in which the vehicle is kept—

(*a*) in Calcutta at his office, in cash or by cheque on a Calcutta clearing bank; and

(*b*) outside Calcutta through the treasury or, if there are branches of the Imperial Bank of India in the district, through that nearest to his office or with his permission, through that nearest to the office of any officer subordinate to him. (*a*) in Calcutta, grant a receipt in Form C;

(*b*) outside Calcutta retain one copy of the treasury chalan as a voucher.

(2) If payment has already been made—

(*a*) through a treasury or a branch of the Imperial Bank of India, the duplicate chalan will serve as a receipt and the triplicate shall be retained by the Taxing Officer as a voucher;

(b) in a Magistrate's court or after issue of a distress warrant, a peremptory cash receipt shall be given in one of the following forms and the Magistrate's receipt given under rule 23 shall be retained by the Taxing Officer as a voucher:—

Bengal Form No. 3581.

High Court Civil Miscellaneous Form No. (M.) 128.

High Court Finance Miscellaneous Form No. (M.) 21.

10. **Grant of token.**—When the Taxing Officer is satisfied that the tax has been paid for a period not yet expired, he shall deliver to the person who has paid the tax a token in Form D.

11. When a token is issued for a vehicle of which the registration is still pending with the Commissioner, the Taxing Officer shall leave the item relating to the registered number blank. On receipt of the certificate of registration, the owner of the vehicle shall produce the token together with the certificate of registration before the Taxing Officer who shall thereupon enter the registered number of the vehicle on the token and in his registers.

12. **Token to be exhibited.**—The token shall be attached to and carried on the vehicle or trailer in the manner provided in rule 13 at all times when the vehicle or trailer is in use.

13. **Manner of exhibiting token.**—The token shall be carried in a holder made of metal and of weather-proof construction. The holder shall be circular and conform to the following specifications:—

Token tray.—The token tray shall be of sheet metal of a size to fit the token neatly and of a suitable thickness. It shall have a turned up edge of sufficient depth to hold the token and shall be provided with a stout cover of transparent white glass, or shall be so designed as to fit against the wind-screen, which must then be of transparent white glass, in such a manner that the glass of the screen serves as a cover.

Ring cover.—Unless the token tray fits against the wind-screen glass in the above manner, there shall be a circular ring of sheet metal shaped to fit down closely on the tray and adapted for fixing by screws, bolts or otherwise to the vehicle in the prescribed position. A rubber packing ring shall be arranged to fit between the ring cover and cover glass and tray, or between the glass of the wind-screen and the tray, so as to render the whole carrier weather-proof.

Dimensions.—The aperture within the ring cover shall clearly exhibit the whole of the token and shall have a diameter of approximately 2⅜ths inches.

The token shall be fitted on the vehicle in such a position that it shall be clearly visible in daylight to a person standing beside the vehicle in front of, or level with, the driver's seat.

Note.—As it has been found that tokens often fade and become illegible if regularly exposed to direct sunlight, owners are recommended to have them fitted inside the vehicle on the instrument board. Their particular attention is called to the provisions of rule 15 which make it illegal to use an illegible token.

14. **Defacing token.**—No person shall alter, deface, mutilate or add anything to the token or exhibit a token on a vehicle other than the vehicle mentioned in the token.

15. **Use of imitation and illegible tokens forbidden.**—No person shall exhibit in the manner provided in rule 13 any imitation of a token or use on a vehicle any token which has become illegible.

16. **Responsibility of owner for token.**—If the token is lost, destroyed, defaced or altered or has become illegible, the owner shall immediately report the facts to the Taxing Officer who issued the token.

17. **Duplicate token.**—If the Taxing Officer is satisfied that the original token issued by him has been lost, destroyed, defaced or altered or has become illegible, he shall on payment by the owner of a fee of Rs. 5 issue a duplicate token and shall grant a receipt in Form C, unless payment has been made as provided in clause *(a)* of sub-rule *(2)* of rule 9.

18. If an original token that has been reported lost is found after the duplicate has been issued, the owner of the vehicle shall take all reasonable steps to regain the original and surrender it to the Taxing Officer. No refund shall be made of the fee paid under rule 17.

19. Every token shall be returned to the Taxing Officer on its expiry. It will be defaced by him and filed in his office with the declaration in Form A relating to the tax, if any, for the subsequent year or quarter.

20. **Tokens for vehicles exempt from tax.**—Owners or officers in charge of motor vehicles who claim exemption from tax under the provisions of rule 30 shall fill in a declaration form in Form A and forward it to the Taxing Officer together with satisfactory proof that they are entitled to exemption.

On receipt of such proof the Taxing Officer shall issue, for not more than a year, a tax-free token on which shall be entered under the heading "class" the word "free."

20A. **Token books.**—*(1)* On receipt of books of tokens from the Jail Department the Taxing Officer himself or a gazetted officer under his orders will count the tokens contained in each book and will give a certificate on the cover of the book as to the number of tokens found to be contained in it.

(2) The books of tokens shall be kept under lock and key, and no more be issued than are actually required for immediate use.

21. **Quarterly periods.**—The quarterly periods referred to in section 4 of the Act shall be the four periods beginning on the—

first day of April,
first day of July,
first day of October, and
first day of January,

and ending on the—

last day of June,
last day of September,
last day of December, and
last day of March, respectively.

22. **Year.**—A year shall consist of any four consecutive quarters.

23. **Mode of recovery of arrear tax by the court.**—*(1)* In prosecuting any person under the provisions of section 13 or section 14 of the Act, the Taxing Officer shall forward with his report to the Magistrate a statement in Form I.

(2) If the trying Magistrate convicts the accused he shall, at the time of passing orders, assess the tax due, direct the payment of it by the accused, and enter the amount in Form I under the heading "order of the trying Magistrate."

(3) If the tax so assessed is paid in court the trying Magistrate shall issue a separate receipt for it in one of the following forms, note the payment in Form I under the appropriate heading, attesting it by his seal, and make the form over to the accused with instructions to present it to the Taxing Officer. The Taxing Officer shall then issue a token if the payment covers a period that has not yet expired.

Bengal Form No. 3581.

High Court Civil Miscellaneous Form No. (M.) 128.

High Court Finance Miscellaneous Form No. (M.) 21.

(4) If the tax is not paid in court, the Magistrate shall take all possible steps to realise it. When it is realised he shall proceed as directed in sub-rule (3).

(5) The tax realised shall be credited to "XXVI—Miscellaneous Departments."

24. **Suspension of registration.**—If a Taxing Officer declares the certificate of registration of a motor vehicle to be suspended under the provisions of section 13A of the Act, he shall inform the owner that the registration of his motor vehicle has been suspended and that the use of the vehicle is prohibited until the suspension is removed.

On receipt of the tax and any penalty due, the Taxing Officer shall declare that the suspension of registration is removed.
